

An open house invitation from PG&E

PG&E invites you to a Community Open House to
learn about upcoming safety work in Milpitas

Every day PG&E is working to ensure the delivery of safe and reliable gas and electric service to our customers. This includes working with the community and the city of Milpitas to improve safety by ensuring trees are planted at a safe distance from power and gas lines. Come meet our team and learn more about the upcoming safety work. We look forward to seeing you there.
