Beautification Awards honor exemplary property owners

BY IAN BAUER

City of Milpitas in October honored residents improving the overall look of the city as part of the 2014 Neighborhood Beautification Awards.

Established in 2000, the Neighborhood Beautification Awards Program in part recognizes Milpitas residents, businesses, neighborhoods, schools and community groups for improvements and maintenance of their properties or neighborhoods within public view. The award program allows residents to nominate themselves, another resident, a community group, club, homeowner association, apartment complex, multi-family units, mobile home, business or a school within the city.

Milpitas Housing and Neighborhood Preservation staff members also recognized residents who worked to make their homes attractive. Honors are generally awarded based on homes in different areas of Milpitas — East Valley, Central and Hillside.

On Oct. 21, Mayor Jose Esteves handed out certificates of appreciation to the winners inside Milpitas City Hall's Council Chambers.
