

# Measure Q Expenditure Oversight Committee

## Help to secure a legacy of open space lands in Santa Clara Valley

## Do you love nature and numbers?

Do you believe open space lands are essential to community health and well-being? If so, the Measure Q Expenditure Oversight Committee might be the perfect volunteer role for you!

### About Measure Q

Measure Q is a \$24 parcel tax that for the next fifteen years will provide the Open Space Authority with approximately \$7.8 million annually to invest in open space land, public access, recreation and protection of water, wildlife and working lands.

### Measure Q Expenditure Oversight Committee

This seven-member committee will provide public oversight for all funds collected and allocated by Measure Q. Each member will contribute unique talents including an understanding of budgets and audit reports. As a whole, the committee will represent the vibrant diversity of the Authority's jurisdiction.

Annually, the committee will review: 1) the plan expenditures; 2) the annual audit and report prepared by an independent auditor; and 3) will submit an annual oversight report.
