## **PRESS RELEASE**

### **Labor Day Week DUI Deployment**

**Date:** September 12, 2011

**Location:** Milpitas, CA 95035

**Details:** DUI Arrests Up & No DUI Fatalities

The Summer/Labor Day National Anti-DUI crackdown has resulted in a significant increase in the number of DUI arrests from Milpitas Police officers participating in the Avoid the 13 DUI deployments.

From Friday, August 19, 2011, through midnight Monday, September 5, 2011, Milpitas Police officers arrested 24 people for driving under the influence of alcohol or drugs. In 2010, we only arrested eight (8) DUI drivers during the same seventeen (17) day time period. We credit the rise to an increased officer awareness and extra patrols during the crackdown.

All traffic and patrol officers focused their efforts at stopping and arresting DUI drivers during their normal shifts.
