Have you ever wondered how the men and women of law enforcement are trained to do their jobs? How a police department functions? Why do police officers wear all that “stuff” on their belt? All these questions and more will be answered during the Milpitas Police Department’s Police and Community Education Seminar, better known as **P.A.C.E.S.**

P.A.C.E.S. is a free 6-week course that is taught on consecutive Wednesday nights, between **6:00 PM and 9:00 P.M.** Through a series of lectures and staged scenarios, citizens will be provided with hands-on training similar to the actual police academy. Courses will range from Crime Scene Investigation (CSI), Defensive Tactics, DUI Detection, Firearms Demonstrations and other topics of interest.

If you want to learn more about your community and your local police department, sign up today--space is limited. Applicants must live or work in the City of Milpitas.
