

Milpitas Police Department

*Dennis Graham
Chief of Police*

PRESS RELEASE

Road Closure

Date: May 15, 2012, Tuesday, 10: 45 a.m.

Location: Piedmont Rd from Landess Ave to Calaveras Rd, and Calaveras Rd east to City limits

The AMGEN Tour of California is America's most successful cycling race, and one of the nation's largest and most recognized annual sporting events. The AMGEN Tour of California is an eight-day event covering nearly 800 miles along challenging highways and roadways of California. This year, 18 of the world's top professional cycling teams will compete in the AMGEN Tour of California.

Stage three of this race will have cyclists start in the City of San Jose and conclude in the City of Livermore. As part of the third stage, cyclists in the AMGEN Tour of California will race along the streets of Milpitas. The cyclists will enter Milpitas at its border with the City of San Jose on Piedmont Road and Landess Avenue. The cyclists will travel north on Piedmont Road to Calaveras Road, where they will head east on Calaveras Road to State Route 84 and onto the City of Livermore.

In order to safely allow the racers to traverse through the City of Milpitas, the Milpitas Police Department will close the race route to vehicular traffic. Starting at 10:45 a.m., Piedmont Road will be closed between Landess Avenue to Calaveras Road, and Calaveras Road east to the city limits. All side streets intersecting with Piedmont Road and Calaveras Road on the race route will not be accessible during the closure. The roadway will be opened as soon as possible following the racers exiting the city.
