On August 17, 2013 at 2:45 AM, Milpitas Police Department officers responded to a robbery at a home on Pinard Street. The officers learned two male suspects were armed with guns, entered the home, tied up the victims, and stole property from the home between 1:00 AM and 2:00 AM. The victims were eventually able to free themselves and call for help.

Earlier, at 2:18 AM, a vigilant Milpitas Police Department officer stopped a vehicle on Devon Place near North Park Victoria Drive, and two males ran from the vehicle while two females remained in the vehicle. Based on the subsequent information from the report of the robbery on Pinard Street, the officers on scene surmised the occupants of the stopped vehicle were possibly associated to the robbery.

Milpitas Police Department detectives were summoned to assist with the investigation while other officers continued the extensive search for the two males who fled. The detectives later concluded the two females, Ms. Bianca Pedemonte and a juvenile, were involved in the robbery and arrested them. Ms. Bianca Pedemonte was booked into the Santa Clara County Main Jail, and the female juvenile was booked into the Santa Clara County Juvenile Probation Department.
