Milpitas Fire Department - Office of Emergency Services
September 2016

OES Bulletin:

September is National Preparedness Month. What does that mean to you? It means it is time to re-evaluate your families preparedness for an emergency, your car, your work facilities, and your children's school or daycare site. Need help? Don't know where to start? Don't worry. The Milpitas Office of Emergency Services is hosting the 2016 Town Hall Event. It is an opportunity to get to know your City Departments, Commissions, Department Heads, Chief's, and get an education (with FREE giveaways) on how to prepare yourself and your family.
