

Strategic Action For Emergencies

How prepared are you and your family for an emergency?

Emergency preparedness is more than stockpiling food & water!!!

- It is knowing emergency medical triage, beyond a bandage.
- It is learning basic radio communications when the phone lines go down.
- It is learning the warning signs to prevent an emergency.
- It is learning emergency resources that lie within your neighborhood.
- It is learning fire suppression and how to turn off your gas meter.
- It is about securing your family, friends and neighbors.

Class Schedule:
