

RESIDENTIAL COLLECTION & STREET SWEEPING DAY CHANGES

To more efficiently service our residential customers in the City of Milpitas, Republic Services is revising garbage, recycling, yard trims and street sweeping routes effective April 14.

Not all customers will be affected by this change, but those who are will receive a postcard the week of March 24 announcing new collection and street sweeping days.

We thank you in advance for your support while we make necessary changes to improve your collection experience.

Street Sweeping Collection Reminders

- Keep cars off street from 7 a.m. – 5 p.m. on sweeping day so debris can most effectively be removed.
- Use your green yard trims cart for large amounts of organic material such as leaves, branches, plants and grass clippings. The sweeper can only remove piles less than 3 inches tall and 12 inches wide.
- Have extra yard trims that don't fit in your cart? No problem. Use your own 32-gallon can! **Call Republic Services at 408-432-0444** for an "Extra Yard Trims" sticker, which must be placed on the can, then set out on your regular collection day. You may also set out bundles tied with twine 3 feet in length and no wider than the cart.
- **Know your street sweeping day!**

 - Call Republic Services at 408-432-0444.

Extra Yard Trims Options

- Call **Republic Customer Services** at **432-0444** for a free extra yard trims sticker.
- Place extra trims in a clean 32-gallon garbage can (75 lb. weight limit). Place the can at the curb, not on the street.
- Attach the extra yard trims sticker on a clean 32-gallon can. Face sticker towards the street.
- Your green yard trims must be set out with the extra yard trims.
- Place yard trims cart on the street in front of the curb, lid closed.
- For tree trims and brush not fitting in the cart, tie with twine into three-foot bundles and place at the curb, not on the street. Be sure to keep bundle diameter not larger than the width of your yard trims cart.
- REMINDER: Rocks, concrete, sod, dirt, plastic bags, loose fruit or vegetables, and pet waste are NOT ACCEPTED as yard trimmings.

Accepted

Grass Clippings
Brush & Weeds
Prunings & Tree Trimmings
Leaves
Tree Trunks of less than 6"
in diameter & 3' in length
Vegetables & fruit on the
vine or limb

Not Accepted

Rocks
Concrete
Sod
Dirt
Plastic Bags
Loose fruit or vegetables
Pet Waste

A Few Words About Cardboard

Always flatten and cut or fold cardboard to fit inside your cart. When the cart is full, flatten and size cardboard to fit inside the cart, and then stack it next to the cart.

Your driver can collect cardboard placed next to the cart only when it is sized to fit inside the cart. *Cardboard that does not fit into your cart can't be collected. If this happens, drivers will leave a non-collection notice.*

For extra cardboard, drivers first empty your full recycling cart, dismount the vehicle to put properly sized cardboard into the cart and then empty the cart again.
