The Bay Area Air Quality Management District invites you to an informational meeting on the topic of odors in Milpitas. The Air District will provide an overview of the Air District's odor complaint process, discuss odor mitigation strategies and answer general questions on the facilities in the Milpitas area.

## Presentation

- Air District overview:
  - Odor complaint process and findings
  - Air monitoring
  - Mitigation strategies including an Odor Stakeholders Group
- General questions

If you would like a specific topic or question addressed at the meeting, please send it to [public@baaqmd.gov](mailto:public@baaqmd.gov) by April 16 and staff will incorporate it into the presentation material.

The Bay Area Air Quality Management District is the regional agency responsible for protecting air quality in the nine-county Bay Area.
