CONTRACTOR'S STATEMENT OF RESPONSIBILITY

Per Section 1704 of the 2013 California Building Code, the contractor responsible for the construction of a main wind or seismic force resisting system, designated seismic system or a wind or seismic resisting component listed in the statement of special inspections (structural tests and inspection schedule and as noted on the Building & Safety Department approved plans) shall submit a written statement of responsibility to the Chief Building Official and the owner prior to the commencement of work on the system or component.

To comply with the requirements of Section 1704.4, the contractor acknowledges the following:

1. The contractor is aware of the special requirements contained in the statements of special inspections (structural tests and inspection schedule and as noted on the Building & Safety Department approved plans) prepared by the engineer of record or the registered design professional per the requirements of Section 1704.3 of the 2013 CBC.
2. Control will be exercised to obtain conformance with the construction documents approved by the Chief Building Official.
3. The contractor has procedures for exercising control within the contractor's organization, the method and frequency of reporting, and the distribution of the reports.

Provide a brief description of the procedure:

4. The contractor has the qualified personnel to exercise such control.

Specify the name (s) of the person (s) exercising such control and a brief description of their qualifications:

ACKNOWLEDGEMENT:
