CONSTRUCTION TRAILERS

Policy:	BDP-BLG08
Effective Date:	04/22/1992
Proposed by:	
Last Reviewed/ Revised:	5/10/17
Revised by:	BYC
Approved By: Gary King Acting Chief Building Official 	

The following items must be satisfied in order for the City of Milpitas to allow construction trailers to be at constructions sites:

- 1) Trailers must be located within a reasonable distance to portable or permanent bathroom facilities.
- 2) Trailers may be equipped with self-contained electrical power or be connected to an outside power source. An electrical permit will be necessary.
- 3) Police Department clearance is required if trailers are parked on a Public Street.
- 4) Trailer shall be seismically anchored.
- 5) Trailers shall comply with 2016 CBC sec.11B-201.4.
