

Letter of intent for type 47 ABC License.

This letter of intent is from Vedas Restaurant located in Milpitas- 560 N Able st, Milpitas-95035. This is with concern for approval of implementation of type 47 license-500785, which we got in lottery. Our restaurant has been running its business for past 4 years very successfully . Now we wish to upgrade the restaurant and give a very upscale restaurant to the neighborhood. It will be wonderful for both the business and for Milpitas city to have an upscale Indian restaurant business out here.

Thank you
