Letter of Explanation Regarding Proposal:
Conditional Use Permit, Alcohol Sales Only

Providing my customers a pleasing and enjoyable culinary experience when they dine at Dish Dash Restaurant in Sunnyvale has always been a priority. This includes a variety of unique cocktails developed to complement our Mediterranean cuisine which uses spices and herbs not easily found.

My desire is for customers to have that same experience when they dine at Dish Dash Grill in Milpitas—that is, delicious food, a unique or favorite cocktail, and a good wine.

Sitting at a table with an apéritif or cocktail that stimulates the appetite for what is to come and a wonderful glass of wine with a meal makes the time spent enjoyable—either at a table for two or with several friends.
