**Subject:** Against Dixon Mart & Liquor license application

Dear Cindy Hom,

My name is William, a resident in Milpitas on Dixon Road. I am against the license application for Dixon Mart & Liquor. Currently there had been several transients sleeping in the empty lot next to Dixon Mart & Liquor. From time to time, there had been homeless wondering in that place. With a Liquor license, the area will become more transient and crime infested. I am against the Liquor license application.
