APPROVING CONDITIONAL USE PERMIT AMENDMENT NO. UA15-0007 TO

CONVENIENCE STORE LOCATED AT 148 W. CALAVERAS BLVD.

WHEREAS, on July 24, 2015, an application was submitted by Charanjit Sandhu, 148 W. Calaveras Blvd. Milpitas, CA 95035 (Applicant”) for a Conditional Use Permit Amendment to allow the addition of sale of all types of alcohol to an existing 1,015 square foot convenience store located at 148 W. Calaveras Blvd. (“Project”). The property is located within General Commercial Zoning District (APN: 22-24-037).

WHEREAS, the Planning Division completed an environmental assessment for the Project in accordance with the California Environmental Quality Act (CEQA), and recommends that the Planning Commission determine this Project exempt under CEQA.

WHEREAS, on August 12, 2015, the Planning Commission held a duly noticed public hearing on the subject application, and considered evidence presented by City staff, the applicant, and other interested parties.

WHEREAS, the all previous planning entitlements for the operations of a restaurant with beer and wine sales shall be rescinded and superseded by the adoption of this Resolution.

NOW THEREFORE, the Planning Commission of the City of Milpitas hereby finds, determines and resolves as follows:

Section 1: The Planning Commission has duly considered the full record before it, which may include but is not limited to such things as the City staff report, testimony by staff and the public, and other materials and evidence submitted or provided to the Planning Commission. Furthermore, the recitals set forth above are found to be true and correct and are incorporated herein by reference.

Section 2: The proposed Project is categorically exempt from further CEQA review under Section 15301 (Existing Facilities) of the CEQA Guidelines. The project is a request to permit the addition of the sale of all types of alcohol to an existing convenience store and proposes no physical changes to the site or building.

Section 3: Any and all provision of Conditional Use Permit Amendment No. UP11-0014 approved by the City of Milpitas Planning Commission on July 13, 2011 is hereby expressly superseded by the adoption of this Resolution and the Prior Conditional Use Permits and all other prior approvals inconsistent with this Resolution shall be considered null and void and have no legal effect whatsoever.
Section 4: Conditional Use Permit (Section XI-10-57.04(F)) - The Planning Commission makes the following findings based on the evidence in the public record in support of Conditional Use Permit Amend No. UA15-0007:

i. The project will not be detrimental or injurious to property or improvements in the vicinity nor to the public health, safety, and general welfare.

As discussed in detail in the staff report and herein, the subject property is not in a crime reporting district. As conditioned, the applicant shall be required to provide the following measures:

- **Responsible Alcohol Training** - The operator shall be responsible for ensuring that all employees receive “Responsible Alcoholic Beverage Service” training as offered through programs established by the Alcoholic Beverage Control of the State of California. Evidence of such training and the training records of all employees shall be maintained on-site during business hours, and made available for inspection upon request.

- **Litter and Graffiti Prevention** - Pick up litter and abate graffiti on a daily basis.

- **Security Video Surveillance System** - Install video surveillance camera(s) to monitor and provide complete coverage of the parking areas. Prior to occupancy, the applicant shall be detail and manufacturer’s specification for a video surveillance security system for Police Department review and approval. Video recordings shall be retained for 30 days. The applicant shall make video recordings available to law enforcement upon request.

- **No Loiter Signs**: Applicant will display information signs to remind customers not to loiter and prohibit any drinking of alcohol on the property.

ii. The proposed use is consistent with the Milpitas General Plan.

As discussed in detail in the staff report and herein, the project is consistent with the General Commercial designation in that the land use provides for the general commercial needs of the surrounding neighborhood. The project is an existing convenience store selling convenience goods, alcoholic beverages and tobacco products. The project also provides opportunity for business retention and encourages economic pursuits for small businesses which are consistent with the following General Plan Policies:

- **Policy 2.a-I-3** - Encourage economic pursuits which will strengthen and promote development through stability and balance.

- **Policy 2.a-I-7** Provide opportunities to expand employment, participate in partnerships with local business to facilitate communication, and promote business retention.

iii. The use is consistent with the Milpitas Zoning Ordinance.

As discussed in detail in the staff report and herein, the proposed Project is consistent with the Milpitas Zoning Ordinance based on the following:

a) With respect to land use, the General Commercial Zoning District allows for general retail as a permitted use and conditionally permits the sale of alcoholic beverages with Planning Commission approval of a conditional use permit. Furthermore, the Project
is consistent with purpose and intent of the General Commercial Zoning District in that the proposed convenience items and alcoholic beverage sales would serve the general commercial needs of the community. The project will not create any objectionable noise or odors.

b) With respect to development standards, the proposed Project complies with setback, height, floor area ratio as described in the Table 1 below:

c) With respect to compliance with parking requirements, the project complies with the city’s parking requirements in that the proposed retail use requires five (5) spaces and does not require additional parking beyond the five (5) parking spaces that were allotted to the tenant space. Furthermore, the shopping center has a recorded reciprocal parking agreement, which allows parking to be used by all tenants of the four parcels. Currently, the project site provides a total of 163 parking spaces.

Section 5: Department of Alcoholic Beverage Control Findings pursuant to Business and Profession Code Section 23958.4: The Planning Commission makes the following findings based on the evidence in the public record in support of Business and Profession Code Section 23958.4:

i. Based on the staff report and as described herein, the Project will not be detrimental to the surrounding area and serves the public convenience or necessity because:
   - The existing convenience store is not located within a crime reporting district.
   - There are no existing violations against the property.
   - The existing convenience store is located in the general commercial zone and is surrounded by other commercial uses. The project is a compatible land use and adds to the variety of the Calaveras Square Shopping Center that does not have any general retail stores.
   - The project is not located within 100-feet of residential homes and is more than 600-feet away from any school, Public Park, or religious facility and therefore will not be detrimental or injurious to property, improvements or disturb the quiet and peaceful enjoyment of residential homes.
• As conditioned, the applicant shall be required to obtain training for responsible alcohol serving and incorporate measures such as video surveillance and signage to discourage loitering.

Section 6: This Resolution shall repeal, rescind and supersede all prior Conditional Use Permits issued for the subject property. Additionally, this Resolution shall repeal, rescind and supersede all prior City approvals related to the subject property that is inconsistent with this Resolution.

Section 8: The Planning Commission of the City of Milpitas hereby adopts Resolution No. 15-029 approving Conditional Use Permit Amendment No. UA15-0007 for the sale of all types alcohol located at 148 W. Calaveras Blvd., based on the above Findings and subject to the Conditions of Approval attached hereto as Exhibit 1 incorporated herein.
