Hi Azhar,

Thank you for your email.

It is our concern not only myself but also californian to save water from never ending drought as well as Milpitas city

My wife and my young son are allergic to dusts. Digging the ground within 100feets from my house and running noisy and dust-flied dumpster trucks in and out at MY FRONT DOOR are the objections.

Thanks,
James Chu

Hello Mr. Chu,

Thank you for e-mail. In order to provide a better response to the Planning Commissioners, is there a particular reason for you and your wife's disapproval of the proposed pool?

Thank you,

AZHAR KHAN

Hi Azar Khan,

Please be advised that my wife and I do not want the constructions.

Hope this is considered as my vote.

Thanks,
James chu
