As an unagendized item, no response is required of City staff or the Commission; however, the Commission may agendize the item for a future meeting.

**X. New Business**

**1. Park Project Priority**

**Background:** The City of Milpitas' Park Master Plan lists Milpitas parks and their needed/suggested improvements. There is currently no priority established as to the order that the parks should be scheduled for those improvements. As the City is currently preparing for the 2015-2016 Fiscal Year budget, the Commission's recommendations for the order of park improvements should be noted for City Council consideration.

**Recommendation:** Prioritize a list of park improvement projects to be considered for City budget planning.

**XIV. Adjournment**
