1. RSRAC Work Plan and Council Presentation
Chair Inamdar to present RSRAC work plan to City Council at their August 16th meeting. All other commissioners were urged to attend as a visible demonstration of the commission's dedication towards its mission.

Staff Stobbe suggested to carryover a goal from FY15-16 to the new work plan which would be to pursue an expanded polystyrene (EPS) ban. She noted that a possible timeframe for EPS could be sequential discussion topics at the RSRAC meetings in Oct 2016 and January 2017 with a

recommendation to Council by April 2017. She further noted that staff is unable to provide a clearer timeline for the other RSRAC work plan goal regarding the Solid Waste disposal and collection contracts because of outside factors however, staff would keep the commission apprised of any updates. Commissioner Shreve asked that RSRAC be given as much lead time possible to set a special meeting, should one be needed.
