Milpitas City Council
455 East Milpitas Boulevard
Milpitas, CA 95035

City Council:

I have worked as a successful employee of a Fortune 100 company, Lockheed Martin Corporation (#47) for the past 7 years. In doing so, I feel my professional experience has ingrained key corporate business practices to my knowledge base. As my colleagues will attest, I am a dedicated, diligent employee that only strives for the best in myself and those that I work for and with. I am prepared to bring that same work ethic if I am appointed to serve the City of Milpitas.

My sincere devotion and support for our city began since moving here in Feb 2003. As a married father of two young children, I feel my interests toward the current and future state of Milpitas are heart-felt ones. I personally care about our school system, issues such as our waste management, and areas of public safety and building developments. They are issues that not only affect the well-being of Milpitas citizens, but they have a direct affect on my family's happiness as well.

I have been active in the community, serving as both a head and assistant coach in the North Valley Milpitas Bobby Sox (NVMBS) organization for 4 years. I am both proud and elated to be a member of this community and wish to further my services by serving a commission/committee. If I am appointed, I will view my services as a stepping stone to one day becoming full-fledged, elected City Council Member/Officer.

Sincerely,

Garrett M. Dye
Proud Milpitas Resident since 2003
