

**RECITALS AND FINDINGS:**

**WHEREAS**, the Open Government Ordinance was originally adopted in April of 2005; and

**WHEREAS**, the nearly four years of experience in applying the provisions of the Ordinance has demonstrated the need for significant amendments, in part due to original provisions that are particularly unwieldy or unduly time consuming for staff, or because they have been largely unused by the public.

**NOW, THEREFORE**, the City Council of the City of Milpitas does ordain as follows:

**SECTION 1. RECORD AND BASIS FOR ACTION**

The City Council has duly considered the full record before it, which may include but is not limited to such things as the City staff report, testimony by staff and the public, and other materials and evidence submitted or provided to the City Council. Furthermore, the recitals set forth above are found to be true and correct and are incorporated herein by reference.

**SECTION 2. AMENDMENT OF MILPITAS MUNICIPAL CODE CHAPTER 310**

Chapter 310 of the Milpitas Municipal Code is hereby repealed in its entirety and replaced with the text below to read as follows:

## Section 1 Findings and Purpose

### I-310-1.10 Findings and Purpose

The People of the City of Milpitas find and declare:

- (a) Government's duty is to serve the public, reaching its decisions in full view of the public.
- (b) Elected officials, commissions, boards, councils and other agencies of the City exist to conduct the people's business. The people do not cede to these entities the right to decide what the people should know about the operations of local government.
- (c) Although California has a long tradition of laws designed to protect the public's access to the workings of government, every generation of governmental leaders includes officials who feel more comfortable conducting public business away from the scrutiny of those who elect and employ them. New approaches to government constantly offer public officials additional ways to hide the making of public policy from the public. As government evolves, so must the laws designed to ensure that the process remains visible.
- (d) The right of the people to know what their government and those acting on behalf of their government are doing is fundamental to democracy, and with very few exceptions, that right supersedes any other policy interest government officials may use to prevent public access to information. Only in rare and unusual circumstances does the public benefit from allowing the business of government to be conducted in secret, and those circumstances should be carefully and narrowly defined to prevent public officials from abusing their authority.
- (e) Public officials who attempt to conduct the public's business in secret should be held accountable for their actions. Only a strong open government and open government ordinance, enforced by a strong City Council Open Government Rules Subcommittee can protect the public's interest in open government.
- (f) The people of Milpitas enact these amendments to assure that the people of the City remain in control of the government they have created.
- (g) Private entities, individuals, employees and officials of Milpitas have rights to privacy that must be respected. However, when a person or entity is before a policy body, that person, and the public, has the right to an open and public process. (Ord. 262.4 (2)(part), 1/16/07; Ord. 262.1 § 3 (part), 4/5/05)

## Section 2 Public Access to Meetings

### I-310-2.10 Definitions

Whenever in this Chapter the following words or phrases are used, they shall have the following meanings:

(a) "City" shall mean the City of Milpitas.

(b) "Meeting" shall mean any of the following:

(1) A congregation of a majority of the members of a policy body at the same time and place to discuss or deliberate City business;

(2) A series of gatherings, each of which involves less than a majority of a policy body, to hear, discuss or deliberate upon any item that is within the subject matter jurisdiction of the City, if the cumulative result is that a majority of members has become involved in such gatherings; or

(3) Any other use of personal intermediaries or communications media that could permit a majority of the members of a policy body to become aware of an item of business and of the views or positions of other members with respect thereto, and to negotiate consensus thereupon.

(4) "Meeting" shall not include any of the following:

(A) Individual contacts or conversations between a member of a policy body and another person that do not convey to the member the views or positions of other members upon the subject matter of the contact or conversation and in which the member does not solicit or encourage the restatement of the views of the other members;

(B) The attendance of a majority of the members of a policy body at a regional, statewide or national conference, or at a meeting organized to address a topic of local community concern and open to the public, provided that a majority of the members refrains from using the occasion to collectively discuss the topic of the gathering or any other business within the subject matter jurisdiction of the City; or

(C) The attendance of a majority of the members of a policy body at a purely social, recreational or ceremonial occasion other than one sponsored or organized by or for the policy body itself, provided that a majority of the members refrains from using the occasion to discuss any business within the subject matter jurisdiction of the policy body. A meal gathering of a policy body before, during or after a business meeting of the body is part of that meeting and shall be conducted only under circumstances that permit public access to hear and observe the discussion of members. Such meetings shall not be conducted in restaurants or other accommodations where public access is possible only in consideration of making a purchase or some other payment of value.

(D) The attendance of a majority of the members of a policy body at an open and noticed meeting of a standing committee of that body, provided that the members of the policy body who are not members of the standing committee attend only as observers.

(E) "Policy bodies" shall mean the City Council, Redevelopment Agency, standing subcommittees of the City Council, Redevelopment Agency or any Commissions, Panels or ad hoc committees of the City Council, Redevelopment Agency or any Commissions, City created task forces, and all City Commissions or Boards. I-310-2.20 Meetings to be Open and Public; Application of Brown Act

All meetings of any policy body shall be open and public, and governed by the provisions of the Ralph M. Brown Act (Government Code Sections 54950 et. seq.) and of this chapter. In case of inconsistent requirements under the Brown Act and this chapter, the requirement which would result in greater or more expedited public access shall apply. (Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-2.30 Agenda Requirements; Regular Meetings

(a) At least 72 hours before a regular meeting, a policy body shall post an agenda containing a meaningful description of each item of business to be transacted or discussed at the meeting. Agendas shall specify for each item of business the proposed action or a statement the item is for discussion only. In addition, a policy body shall post a current agenda on its Internet website at least 72 hours before a regular meeting.

(b) At least six (6) calendar days before a regular City Council meeting, a preliminary agenda shall be posted containing a meaningful description of each item of business to be transacted or discussed at the meeting. These agendas shall specify for each item of business the proposed action or a statement the item is for discussion only. In addition, the preliminary agenda shall be posted on the City's Internet website at least six (86) calendar days before the regular City Council meeting. City staff shall make a good faith effort to make accompanying staff reports available at this time.

(c) A description is meaningful if it is sufficiently clear and specific to alert a person of average intelligence and education whose interests are affected by the item that he or she may have reason to attend the meeting or seek more information on the item. The description should be brief, concise and written in plain, easily understood English. It shall refer to any explanatory documents that have been provided to the policy body in connection with an agenda item, such as correspondence or reports, and such documents shall be posted adjacent to the agenda or, if such documents are of more than one page in length, made available for public inspection and copying at a location indicated on the agenda during normal office hours.

(d) The agenda shall specify the time and location of the regular meeting and shall be posted at locations that are freely accessible to members of the public.

(e) No action or discussion shall be undertaken on any item not appearing on the posted agenda, except that members of a policy body may respond to statements made or questions posed by persons exercising their public testimony rights, to the extent of asking a question for clarification, providing a reference to staff or other resources for factual information, or requesting staff to report back to the body at a subsequent meeting concerning the matter raised by such testimony.

(f) Notwithstanding subsection (e) of this section, the policy body may take action on items of business not appearing on the posted agenda under any of the following conditions:

(1) Upon a determination by a majority vote of the body that an accident, natural disaster or work force disruption poses a threat to public health and safety.

(2) Upon a good faith, reasonable determination by a two-thirds vote of the body, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that (A) the need to take immediate action on the item is so imperative as to threaten serious injury to the public interest if action were deferred to a subsequent special or regular meeting, or relates to a

purely commendatory action, and (B) that the need for such action came to the attention of the body subsequent to the agenda being posted as specified in subsection (a) of this section.

(3) The item was on an agenda posted pursuant to subsection (a) of this section for a prior meeting of the body occurring not more than five (5) calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.

(g) Each policy body shall ensure that notices and agendas for regular and special meetings shall include the following notice:

(Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-2.70 Additional Requirements for Closed Sessions

Recordings of closed sessions of a policy body covered by this chapter, wherein the justification for the closed session is due to “anticipated litigation” shall be released to the public in accordance with any of the following provisions: two (2) years after the meeting if no litigation is filed; Upon expiration of the statute of limitations for the anticipated litigation if no litigation is filed; as soon as the controversy leading to anticipated litigation is settled or concluded. “Anticipated Litigation” considering personnel issues will be exempt from these disclosure requirements.~~

(b) Each agenda item for a policy body covered by this chapter that involves existing litigation shall identify the court, case number, and date the case was filed on the written agenda. For each agenda item for a group covered by this chapter that involves anticipated litigation, the City Attorney’s Office or the policy body shall disclose at any time requested and to any member of the public whether such anticipated litigation developed into litigation and shall identify the court, case number, and date the case was filed. (Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-2.80 Agendas and Related Materials: Public Records

(a) Agendas of meetings, meeting packets, and any other documents on file with the clerk of the policy body in connection with a matter anticipated for discussion or consideration at a public meeting shall be made available to the public for inspection and copying at the office of the policy body before the hearing and be available to the public in sufficient quantities at the hearing commensurate with the anticipated number of people attending the hearing. To the extent possible, such documents shall also be made available through the policy body’s internet website. However, this disclosure need not include any material exempt from public disclosure under this chapter or other law.

(b) Records which are subject to disclosure under subsection (a) of this section and which are intended for distribution to a policy body prior to commencement of a public meeting shall be made available for public inspection and copying upon request prior to commencement of such meeting, whether or not actually distributed to or received by the body at the time of the request. Records which are subject to disclosure under subsection (a) of this section and which are

(c) Records which are subject to disclosure under subsection (a) of this section and which are distributed during their discussion at a public meeting shall be made available for public inspection immediately or as soon thereafter as is practicable.

(d) A policy body may charge a publication fee of ~~ten~~ cents (10¢) per page for a copy of a public record prepared for consideration at a public meeting, unless a special fee has been established. Neither this section nor the California Public Records Act (Government Code sections 6250 et seq.) shall be construed to limit or delay the public's right to inspect any record required to be disclosed by the Act, whether or not distributed to a policy body. (Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-2.90 Closed Sessions: Permitted Topics

A policy body may, but is not required to, hold closed sessions on items within the subject matter jurisdiction of the policy body:

(a) With the chief of police, or their respective deputies, on matters posing a threat to the security of public buildings or a threat to the public's right of access to public services or public facilities.

(b) To consider the appointment, employment, evaluation of performance, or dismissal of a City employee, if the policy body has the authority to appoint, employ, or dismiss the employee, or to hear complaints or charges brought against the employee by another person or employee unless the employee complained of requests a public hearing. The body may exclude from any such public meeting, and shall exclude from any such closed meeting, during the comments of a complainant, any or all other complainants in the matter.

(c) Based on advice of its legal counsel; ~~and on a motion and vote in open session to assert the attorney-client privilege,~~ to confer with, or receive advice from, its legal counsel regarding pending litigation when discussion in open session concerning those matters would likely and unavoidably prejudice the position of the City in that litigation. Litigation shall be considered pending when any of the following circumstances exist:

(1) An adjudicatory proceeding before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator, to which the City is a party, has been initiated formally; or

(2) A point has been reached where, in the opinion of the policy body on the advice of its legal counsel, based on existing facts and circumstances, there is a significant exposure to litigation against the City, or the body is meeting only to decide whether a closed session is authorized pursuant to that advice or, based on those facts and circumstances, the body has decided to initiate or is deciding whether to initiate litigation.

(3) A closed session may not be held under this section to consider the qualifications or engagement of an independent contract attorney or law firm, for litigation services or otherwise.

(d) With the City's designated representatives regarding matters within the scope of collective bargaining or meeting and conferring with public employee organizations when a policy body has authority over such matters. The salary and benefits of members of the City Council, the City

Manager, and the unrepresented employees will be discussed and acted upon separately by the City Council in open session.

(1) Such closed sessions shall be for the purpose of reviewing the City's position and instructing its designated representatives and may take place solely prior to and during active consultations and discussions between the City's designated representatives and the representatives of employee organizations or the unrepresented employees. A policy body shall not discuss compensation or other contractual matters in closed session with one or more employees directly interested in the outcome of the negotiations.

(2) In addition to the closed sessions authorized by Section I-310-2.90(d)(1), a policy body subject to Government Code Section 3501 may hold closed sessions with its designated representatives on mandatory subjects within the scope of representation of its represented employees, as determined pursuant to Section 3504. (Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-2.100 Statement of Reasons for Closed Sessions

Prior to any closed session, a policy body shall state the general reason or reasons for the closed session, and shall cite the statutory authority, including the specific section and subdivision, or other legal authority under which the session is being held. In the closed session, the policy body may consider only those matters covered in its statement. In the case of regular and special meetings, the statement shall be made in the form of the agenda disclosures and specifications required by Section I-310-2.60 of this chapter. In the case of adjourned and continued meetings, the statement shall be made with the same disclosures and specifications required by Section I-310-2.60 of this chapter, as part of the notice provided for the meeting.

In the case of an item added to the agenda as a matter of urgent necessity, the statement shall be made prior to the determination of urgency and with the same disclosures and specifications as if the item had been included in the agenda pursuant to Section I-310-2.60 of this chapter. Nothing in this section shall require or authorize a disclosure of information prohibited by state or federal law. (Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-2.110 Disclosure of Closed Session Discussions and Actions

(a) After every closed session, a policy body may in its discretion and in the public interest, disclose to the public any portion of its discussion that is not confidential under federal or state law, any other law, or non-waiveable privilege. The body shall, by motion and vote in open session, elect either to disclose no information or to disclose the information that a majority deems to be in the public interest. The disclosure shall be made through the presiding officer of the body or such other person, present in the closed session, which he or she designates to convey the information.

(b) A policy body shall publicly report any action taken in closed session and the vote or abstention of every member present thereon, as follows:

(1) Real Property Negotiations. Approval given to a policy body's negotiator concerning real estate negotiations pursuant to Government Code Section 54956.8 shall be reported as soon as the agreement is final. If its own approval renders the agreement final, the policy body shall report that approval, the substance of the agreement and the vote thereon in open session immediately. If final approval rests with another party to the negotiations, the body shall disclose the fact of that approval, the substance of the agreement and the body's vote or votes thereon upon inquiry by any person, as soon as the other party or its agent has informed the body of its

approval. If, notwithstanding the final approval, there are conditions precedent to the final consummation of the transaction, or there are multiple contiguous or closely located properties that are being considered for acquisition, the document referred to in subsection (b) of this section need not be disclosed until the condition has been satisfied or the agreement has been reached with respect to all the properties, or both.

(2) Litigation. Direction or approval given to the body's legal counsel to prosecute, defend, or seek, or refrain from seeking appellate review or relief or to otherwise enter as a party, intervener or amicus curiae in any form of litigation as the result of a consultation pursuant to Government Code Section 54956.9 shall be reported in open session as soon as given, or at the first meeting after an adverse party has been served in the matter if immediate disclosure of the City's intentions would be contrary to the public interest. The report shall identify the adverse party or parties, any co-parties with the City, any existing claim or order to be defended against or any factual circumstances or contractual dispute giving rise to the City's complaint, petition or other litigation initiative.

(3) Settlement. A policy body shall neither solicit nor agree to any term in a settlement, which would preclude the release of the text of the settlement itself, and any related documentation communicated to or received from the adverse party or parties. ~~Any written settlement agreement and any documents attached to or referenced in the settlement agreement shall be made publicly available at least 10 calendar days before the meeting of the policy body at which the settlement is to be approved to the extent that the settlement would commit the City or a department thereof to adopting, modifying, or discontinuing an existing policy, practice or program or otherwise acting other than to pay an amount of money less than \$50,000.~~ The agenda for any meeting in which a settlement subject to this section is discussed shall identify the names of the parties, the case number, the court, and the material terms of the settlement. Where the disclosure of documents in a litigation matter that has been settled could be detrimental to the city's interests in pending litigation arising from the same facts or incident and involving a party not a party to or otherwise aware of the settlement, the documents required to be disclosed by subsection (b) of this section need not be disclosed until the other case is settled or otherwise finally concluded.

(4) Employee Actions. Action taken to appoint, employ, dismiss, transfer or accept the resignation of a public employee in closed session pursuant to Government Code Section 54957 shall be reported immediately in a manner that names the employee, the action taken and position affected and, in the case of dismissal for a violation of law or of the policy of the City, the reason for dismissal. "Dismissal" within the meaning of this chapter includes any termination of employment at the will of the employer rather than of the employee, however characterized. The proposed terms of any separation agreement shall be immediately disclosed as soon as presented to the body, and its final terms shall be immediately disclosed upon approval by the body.

(5) Collective Bargaining. Any collectively bargained agreement shall be made publicly available at least ~~ten (10)~~ ten (10) calendar days before the meeting of the policy body to which the agreement is to be reported.

(c) Reports required to be made immediately may be made orally or in writing, but shall be supported by copies of any contracts, settlement agreements, or other documents related to the transaction that were finally approved or adopted in the closed session and that embody the information required to be disclosed immediately shall be provided to any person who has made a written request regarding that item following the posting of the agenda, or who has made a

standing request for all such documentation as part of a request for notice of meetings pursuant to Government Code Sections 54954.1 or 54956.

(d) A written summary of the information required to be immediately reported pursuant to this section, or documents embodying that information, shall be posted by the close of business on the next business day following the meeting, in the place where the meeting agendas of the body are posted. (Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-2.120 Barriers to Attendance Prohibited

(a) No policy body shall conduct any meeting, conference or other function in any facility that excludes persons on the basis of actual or presumed class identity or characteristics, or which is inaccessible to persons with physical disabilities, or where members of the public may not be present without making a payment or purchase. Whenever the City Council, a board or commission, or any committee thereof anticipates that the number of persons attending the meeting will exceed the legal capacity of the meeting room, any public address system used to amplify sound in the meeting room shall be extended by supplementary speakers to permit the overflow audience to listen to the proceedings in an adjacent room or passageway, unless such supplementary speakers would disrupt the operation of a City office.

~~(b) Each policy body that meets in City Hall and televises its meetings on the Milpitas Government Cable Channel, shall provide for participation by members of the public via telephone "bridge lines" for public comment on each item in the same manner as if the member of the public were in actual physical attendance at the meeting. Each policy body subject to this provision may develop reasonable procedures for its implementation. (Ord. 262.1 § 3 (part), 4/5/05)~~

#### I-310-2.130 Tape Recording, Filming and Still Photography

(a) Any person attending an open and public meeting of a policy body shall have the right to record the proceedings with an audio or video recorder or a still or motion picture camera, or to broadcast the proceedings, in the absence of a reasonable finding of the policy body that the recording or broadcast cannot continue without such noise, illumination or obstruction of view as to constitute a persistent disruption of the proceedings.

(b) All policy bodies shall audio record each regular and special meeting. Each such audio recording, and any audio or video recording of a meeting of any other policy body made at the direction of the policy body shall be a public record subject to inspection pursuant to the California Public Records Act (Government Code Section 6250 et seq.), and shall not be erased or destroyed. The audio and/or video record shall be kept indefinitely or as current technology allows. Inspection of any such recording shall be provided without charge on an appropriate play back device made available by the City. Audio records of audio taped meetings shall be provided upon request and payment for the actual cost of the recording. Requests shall be made through the City Clerk. (Ord. 262.1 (3) (part), 4/5/05)

#### I-310-2.140 Public Testimony and Council Amendments

(a) Every agenda for regular meetings shall provide an opportunity for members of the public to directly address a policy body on any item, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by Section I-310-2.30(e) of this chapter.

(b) Every agenda for meetings at which action is proposed to be taken on an item shall provide an opportunity for each member of the public to directly address the body concerning that item prior to action thereupon.

(c) Each policy body shall adopt a rule providing that each person wishing to speak on an item before the body at a regular or special meeting shall be permitted to be heard once for a maximum of three minutes. However, the Chair of the meeting has discretion to reduce the speaking time in situations where there are a large number of persons who wish to speak on a particular agenda item. Time limits shall be applied uniformly to members of the public wishing to testify. The Chair of the policy body shall accept public testimony in a fair and evenhanded way, without manipulation in the order of speakers.

(d) A policy body shall not abridge or prohibit public criticism of the policy, procedures, programs or services of the City, or of any other aspect of its proposals or activities, or of the acts or omissions of the body, on the basis that the performance of one or more public employees is implicated, or on any basis other than reasonable time constraints adopted in regulations pursuant to subsection (c) of this section.

(e) To facilitate public input, any agenda changes or continuances shall be announced by the presiding officer of a policy body at the beginning of a meeting, or as soon thereafter as the change or continuance becomes known to such presiding officer.

(f) The Mayor and Councilmembers during the Councilmember announcement session of the agenda shall be limited to the same amount of speaking time as members of the public during open forum. The City Clerk shall be responsible for enforcing this provision. (Ord. 262.1 (3) (part), 4/5/05)

#### I-310-2.150 Minutes

(a) The clerk or secretary of policy bodies shall record the minutes for each regular and special meeting of those bodies.

(b) The draft minutes of each meeting shall be posted on the policy body's website if any and be available for inspection and copying upon request no later than ten (10) working days after the meeting. The officially adopted minutes shall be available for inspection and copying upon request no later than ten (10) working days after the meeting at which the minutes are adopted. (Ord. 262.1 (3) (part), 4/5/05)

#### I-310-2.160 Public Comment by Members of Policy Bodies

Every member of a policy body retains the full constitutional rights of a citizen to comment publicly on the wisdom or propriety of government actions, including those of the policy body of which he or she is a member. Policy bodies shall not sanction, reprove or deprive members of their rights as elected or appointed officials for expressing their judgments or opinions, including those which deal with the perceived inconsistency of non-public discussions, communications or actions with the requirements of state or federal law or of this chapter. The release of specific factual information made confidential by state or federal law including, but not limited to, the privilege for confidential attorney-client communications, may be the basis for a request for injunctive or declaratory relief, seeking an accusation of misconduct, or both. (Ord. 262.1 (3) (part), 4/5/05)

#### I-310-2.170 Role of City Attorney on Items Before Council

The Milpitas Municipal Code and state law do not explicitly bar the City Attorney from offering unsolicited legal advice either verbally or in writing on matters before the Council. This chapter should be interpreted such that the City Attorney, in addition to regular duties, should be outspoken in giving advice on the validity of legal compliance on all matters. (Ord. 262.1 (3) (part), 4/5/05)

#### I-310-2.180 Conflict Disclosures Required at City Council Meetings

At the beginning of each City Council meeting or upon the arrival of the Mayor or Councilmember, the City Attorney shall ask the Mayor and each member of the City Council to disclose any financial or personal conflict with any item on the City Council's agenda. Pursuant to Government Code section 87105, if the Mayor or a Councilmember discloses that such a personal financial interest is present, he or she shall publicly identify the conflict or potential conflict in detail sufficient to be understood by the public, and shall recuse him or herself from taking action on the item if required to do so by law and leave the meeting room. (Ord. 262.1 (3) (part), 4/5/05)

#### ~~I-310-2.190 Senior Staff Meetings Open to the Public~~

~~One senior City staff meeting per month shall be publicly noticed, made open and accessible to the public. Such meeting shall occur during regular business hours. (Ord. 262.1 (3) (part), 4/5/05)~~

(Ord. 262.3, 9/5/06; Ord. 262.1 (3) (part), 4/5/05)

#### I-310-3.20 Process for Gaining Access to Public Records; Administrative Appeals

(a) Every person having custody of any public record or public information, as defined in this chapter, (hereinafter referred to as a custodian of a public record) shall, at normal times and during normal and reasonable hours of operation, without unreasonable delay, and without requiring an appointment, permit the public record, or any segregable portion of a record, to be inspected and examined by any person and shall furnish one copy thereof upon payment of a reasonable copying charge, not to exceed the lesser of the actual cost or ten cents per page.

(b) A custodian of a public record shall, as soon as possible and within ten (10) days following receipt of a request for inspection or copy of a public record, comply with such request. Such request may be delivered to the office of the custodian by the requester orally or in writing by

fax, postal delivery, or email. If the custodian believes the record or information requested is not a public record or is exempt, the custodian shall justify withholding any record by demonstrating, in writing as soon as possible and within ten (10) days following receipt of a request, that the record in question is exempt under express provisions of this ordinance.

(c) A custodian of a public record shall assist a requester in identifying the existence, form, and nature of any records or information maintained by, available to, or in the custody of the custodian, whether or not the contents of those records are exempt from disclosure and shall, ~~when requested to do so, provide in writing within seven days following receipt of a request, a statement as to the existence, quantity, form and nature of records relating to a particular subject or questions with enough specificity to enable a requester to identify records in order to make a request under subsection (b) of this section.~~ provide a response within ten (10) days consistent with the requirements of the California Public Records Act. A custodian of any public record, when not in possession of the record requested, shall assist a requester in directing a request to the proper office or staff person.

(d) If the custodian refuses, fails to comply, or incompletely complies with a request described in subsection (b) of this section, the person making the request may petition the supervisor of records for a determination whether the record requested is public. The supervisor of records shall inform the petitioner, as soon as possible and within ten (10) days, of its determination whether the record requested, or any part of the record requested, is public. Where requested by the petition, and where otherwise desirable, this determination shall be in writing. Upon the determination by the supervisor of records that the record is public, the supervisor of records shall immediately order the custodian of the public record to comply with the person's request. If the custodian refuses or fails to comply with any such order within five (5) days, the supervisor of records shall notify the City Attorney who shall take whatever measures she or he deems necessary and appropriate to insure compliance with the provisions of this ordinance.

(e) If the custodian refuses, fails to comply, or incompletely complies with a request described in subsection (b) of this section or if a petition is denied or not acted upon by the supervisor of public records, the person making the request may petition the City Council ~~Open GovernmentRules~~ Subcommittee for a determination whether the record requested is public. The City Council ~~Open GovernmentRules~~ Subcommittee shall inform the petitioner, as soon as possible and within two (2) days after its next meeting but in no case later than ten (10) days or as soon thereafter as possible from when a petition in writing is received, of its determination whether the record requested, or any part of the record requested, is public. Where requested by the petition, and where otherwise desirable, this determination shall be in writing. Upon the determination that the record is public, the City Council ~~Open GovernmentRules~~ Subcommittee shall advise the City Council as to whether the record should be public. The City Council and the City Attorney's office shall provide sufficient resources to allow the City Council ~~Open GovernmentRules~~ Subcommittee to fulfill its duties under this provision. Where requested by the petition, the City Council ~~Open GovernmentRules~~ Subcommittee may conduct a public hearing concerning the records request denial. An authorized representative of the custodian of the public records requested shall attend any hearing and explain the basis for its decision to withhold the records requested. Petitions for City Councilmember records shall be made directly to the City Council ~~Open GovernmentRules~~ Subcommittee for its determination according to this paragraph.

(f) The administrative remedy provided under this chapter shall in no way limit the availability of other administrative remedies provided to any person with respect to any officer or employee of any agency, executive office, department or board; nor shall the administrative remedy

provided by this section in any way limit the availability of judicial remedies otherwise available to any person requesting a public record. If a custodian of a public record refuses or fails to comply with the request of any person for inspection or copy of a public record or with an administrative order under this section, any California Superior Court shall have jurisdiction to order compliance.

(g) In any court proceeding pursuant to this chapter there shall be a presumption that the record sought is public, and the burden shall be upon the custodian to prove with specificity the exemption, which applies.

(h) ~~At least once a year, and as otherwise requested by the City Council Open Government Subcommittee, the supervisor of public records~~The City Clerk's Office shall prepare a continuous tally ~~and report~~ of every petition brought before it for access to records, ~~since the time of its last tally and report.~~ The tally report shall at least identify for each petition the record or records sought, the custodian of those records, the ruling of the supervisor of public records, whether any ruling was overturned by a court and whether orders given to custodians of public records were followed. The tally shall be considered a public record and be available for public inspection.~~The report shall also summarize any court actions related to any petitions during that period. At the request of the City Council Open Government Subcommittee, the report shall also include copies of all rulings made by the supervisor of public records and all opinions issued.~~

(i) The Milpitas City Attorney's office shall act to protect and secure the rights of the people of Milpitas to access public information and public meetings and shall not act as legal counsel for any city employee or any person having custody of any public record for purposes of denying access to the public. The City Attorney or his designee will monitor the handling of public records when any elected public official or any department head leaves office and moves materials from the office. The City Attorney may publish legal opinions in response to a request from any person as to whether a record or other information is or is not a public record. All communications with the City Attorney's Office with regard to this ordinance, including petitions, requests for opinions, and opinions shall be public records.

(j) Notwithstanding the provisions of this section, the City Attorney may defend the City or a City Employee in litigation under this chapter that is actually filed in court to any extent required by California Law.

(k) Release of documentary public information, whether for inspection of the original or by providing a copy, shall be governed by the California Public Records Act (Government Code Section 6250 et seq.) to the extent not addressed by this chapter and in accordance with the enhanced disclosure requirements provided in this chapter.

(l) Inspection and copying of documentary public information stored in electronic form shall be made available to the person requesting the information in any form requested which is available to or easily generated by the department, its officers or employees, including disk, tape, printout or monitor at a charge no greater than the cost of the media on which it is duplicated. Inspection of documentary public information on a computer monitor need not be allowed where the information sought is necessarily and inseparably intertwined with information not subject to disclosure under this ordinance. Nothing in this section shall require a department to program or reprogram a computer to respond to a request for information or to release information where the release of that information would violate a licensing agreement or copyright law. (Ord. 262.5 (4), 11/6/07~~;~~; Ord. 262.4 (2) (part), 1/16/07; Ord. 262.1 (3) (part), 4/5/05)

### I-310-3.30 Intentionally Left Blank

#### I-310-3.40 Policy Regarding Use of Computer Systems

It is the policy of the City of Milpitas to utilize computer technology in order to reduce the cost of public records management, including the costs of collecting, maintaining, and disclosing records subject to disclosure to members of the public under this section. To the extent that it is technologically and economically feasible, departments that use computer systems to collect and store public records shall program and design such systems to ensure convenient, efficient, and economical public access to records and shall make public records easily accessible over public networks, including but not limited to the Internet. (Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-3.50 Release of Oral Public Information

Release of oral public information shall be accomplished as follows:

(a) Every department head shall designate a person or persons knowledgeable about the affairs of the department, to provide information, including oral information, to the public about the department's operations, plans, policies and positions. The department head may designate himself or herself for this assignment, but in any event shall arrange that an alternate be available for this function during the absence of the person assigned primary responsibility.

(b) The role of the person or persons so designated shall be to provide information on as timely and responsive a basis as possible to those members of the public who are not requesting information from a specific person. This section shall not be interpreted to curtail existing informal contacts between employees and members of the public when these contacts are occasional, acceptable to the employee and the department, not disruptive of his or her operational duties and confined to accurate information not confidential by law.

(c) If it would take an employee more than fifteen minutes to obtain the information responsive to an inquiry or inquiries from a member of the public, the employee shall notify the requestor of the procedures for obtaining records under sections I-310-3.70 and I-310-3.80 of this chapter.

(d) Public employees shall not be discouraged from or disciplined for the expression of their personal opinions on any matter of public concern while not on duty, so long as the opinion (1) is not represented as that of the department and does not misrepresent the department position; and (2) does not disrupt coworker relations, impair discipline or control by superiors, erode a close working relationship premised on personal loyalty and confidentiality, interfere with the employee's performance of his or her duties or obstruct the routine operation of the office in a manner that outweighs the employee's interests in expressing that opinion. In adopting this subsection, the City Council intends merely to restate and affirm court decisions recognizing the First Amendment rights enjoyed by public employees. Nothing in this section shall be construed to provide rights to City employees beyond those recognized by courts, now or in the future, under the First Amendment, or to create any new private cause of action or defense to disciplinary action.

(e) Notwithstanding any other provisions of this chapter, public employees shall not be discouraged from or disciplined for disclosing any information that is public information or a public record to any journalist or any member of the public. Any public employee who is disciplined for disclosing public information or a public record shall have a cause of action against the City and the supervisor imposing the discipline. (Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-3.60 Public Review File--Policy Body Communications

(a) The City Clerk shall maintain a file, accessible to any person during normal office hours, containing a copy of any letter, memorandum or other communication which the clerk has distributed to or received from a quorum of the policy body concerning a matter calendared by the body within the previous thirty (30) days or likely to be calendared within the next thirty (30) days, irrespective of subject matter, origin or recipient, except commercial solicitations, periodical publications or communications exempt from disclosure under the California Public Records Act (Government Code Section 6250 et seq.) and not deemed disclosable under Section I-310-3.70 of this chapter.

(b) Communications, as described in subsection (a) of this section, sent or received in the last three (3) business days shall be maintained in chronological order in the office of the department head or at a place nearby, clearly designated to the public. After documents have been on file for two (2) full days, they may be removed, and, in the discretion of the Council, board or commission, placed in a monthly chronological file.

(c) Multiple-page reports, studies or analyses, which are accompanied by a letter or memorandum of transmittal, need not be included in the file so long as the letter or memorandum of transmittal is included. (Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-3.70 Public Information that Must be Disclosed

Notwithstanding a department's legal discretion to withhold certain information under the California Public Records Act, the following policies shall govern specific types of documents and information and shall provide enhanced rights of public access to information and records:

(a) Drafts and Memoranda. No preliminary draft or memorandum shall be exempt from disclosure under Government Code section 6254, subdivision (a) if it is normally kept on file. Preliminary drafts and memoranda concerning contracts, memoranda of understanding, or other matters subject to negotiation or pending Council approval shall not be subject to disclosure to this provision until final action has been taken.

(b) Litigation Material.

(1) Notwithstanding any exemptions otherwise provided by law, the following are public records subject to disclosure under this chapter:

(i) A pre-litigation claim against the City;

(ii) A record previously received or created by a department in the ordinary course of business that was not attorney/client privileged when it was previously received or created;

(iii) Advice on compliance with, analysis of, an opinion concerning liability under, or any communication otherwise concerning the California Public Records Act, the Ralph M. Brown Act, the Political Reform Act, any Milpitas governmental ethics code, or this chapter.

(2) Unless otherwise privileged under California law, when litigation is adjudicated or otherwise settled, records of all communications between the department and the adverse party shall be subject to disclosure, including the text and terms of any settlement.

(c) Contracts, Bids and Proposals.

(1) All initial City Requests for Proposals (“RFP’s”) shall be kept in a central repository and shall be made available for public inspection. In addition, RFP’s shall be placed on the City’s website for a period from the date the RFP was issued to the date that the RFP is due.

(2) Contracts, contractors’ bids, responses to requests for proposals and all other records of communication between the department and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person’s or organization’s net worth or other proprietary financial data submitted for qualification for a contract or other benefit. All bidders and contractors shall be advised that information provided which is covered by this subdivision will be made available to the public upon request. Immediately after any review or evaluation or rating of responses to an RFP has been completed, evaluation forms and score sheets and any other documents used by persons in the RFP evaluation or contractor selection process shall be available for public inspection. The names of scorers, graders or evaluators, along with their individual ratings, comments, and score sheets or comments on related documents, shall be made immediately available after the review or evaluation of an RFP has been completed.

(3) During the course of negotiations for:

(i) Personal, professional, or other contractual services not subject to a competitive process or where such a process has arrived at a stage where there is only one qualified or responsive bidder;

(ii) Leases or permits having total anticipated revenue or expense to the City;

(iii) Any franchise agreements, all documents exchanged and related to the position of the parties, including draft contracts, shall be made available for public inspection and copying upon request. In the event that no records are prepared or exchanged during negotiations in the above-mentioned categories, or the records exchanged do not provide a meaningful representation of the respective positions, the City Attorney or city representative familiar with the negotiations shall, upon a written request by a member of the public, prepare written summaries of the respective positions within five (5) working days following the final day of negotiation of any given week. The summaries will be available for public inspection and copying. Upon completion of negotiations, the executed contract, including the dollar amount of said contract, shall be made available for inspection and copying.

(iv) Not later than July 15th annually, each City department shall provide to the City Council a list of all sole source contracts entered into or renewed during the past fiscal year. This list shall be made available for inspection and copying as provided for elsewhere in this Section.

(d) Budgets and Other Financial Information. Budgets, whether tentative, proposed or adopted, for the City or any of its departments, programs, projects or other categories, and all bills, claims, invoices, vouchers or other records of payment obligations as well as records of actual disbursements showing the amount paid, the payee and the purpose for which payment is made, other than payments for social or other services whose records are confidential by law, shall not be exempt from disclosure under any circumstances.

(e) Appraisals, offers and counteroffers relating to the City's purchase of real property are exempt until an agreement is executed. If an agreement for purchase is not submitted to the Council for approval then this exemption expires 1 year after negotiations are terminated.

(f) Neither the City nor any officer, employee, or agent thereof may assert California Public Records Act Section 6255 or any similar provision as the basis for withholding any documents or information on requested under this chapter.

(g) Neither the City nor any officer, employee, or agent thereof may assert an exemption for withholding for any document or information based on a "deliberative process" exemption, either as provided by California Public Records Act Section 6255 or any other provision of law that does not prohibit disclosure.

(h) Neither the City, nor any officer, employee, nor agent thereof, may assert an exemption for withholding for any document or information based on a finding or showing that the public interest in withholding the information outweighs the public interest in disclosure. All withholding of documents or information must be based on an express provision of this chapter providing for withholding of the specific type of information in question or on an express and specific exemption provided by the California Public Records Act that is not forbidden by this chapter. (Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-3.80 Immediacy of Response

Notwithstanding the ~~ten~~ (10) day period for response to a request permitted in Government Code section 6256, a request for a public record described in any nonexempt category which is received by a department head shall be satisfied no later than the close of business on the day following the request unless the department head advises the requestor in writing that the request will be answered by a specific future date. The statutory deadlines are appropriate for more extensive or demanding requests, but shall not be used to delay fulfilling a simple, routine or otherwise readily answerable request. If the voluminous nature of the information requested, its location in a remote storage facility or the need to consult with legal counsel warrants an extension of ~~ten~~ ~~10~~ (10) days as provided in Government Code section 6256.1, the requestor shall be noticed as required within three (3) business days of the request. (Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-3.90 Withholding Kept to a Minimum

Information that is exempt from disclosure shall be masked, deleted or otherwise segregated so that the nonexempt portion of a requested record may be released and keyed by footnote or other clear reference to the appropriate justification for withholding required by this chapter in section I-310-3.100. (Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-3.100 Justification of Withholding

Any withholding of information shall be justified, in writing, as follows:

(a) A withholding under a specific permissive exemption in the California Public Records Act, or elsewhere, which permissive exemption is not forbidden to be asserted by this ordinance, shall cite that authority.

(b) A withholding on the basis that disclosure is prohibited by law shall cite the specific statutory authority in the Public Records Act or elsewhere.

(c) A withholding on the basis that disclosure would incur civil or criminal liability shall cite any specific statutory or case law, or any other public agency's litigation experience, supporting that position.

(d) When a record being requested contains information, most of which is exempt from disclosure under the California Public Records Act and this Section, the custodian shall inform the requester of the nature and extent of the nonexempt information and suggest alternative sources for the information requested, if available. (Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-3.110 Public Records that Must be Disclosed

The following policies shall govern specific types of documents and information and shall provide enhanced rights of public access to information and access:

(a) Notwithstanding California Government Code Section 6254, subdivision (c), the following information shall be considered a public record and shall be made available for review upon request by any person, business or association:

(1) A listing of employee names, job titles and gross salaries, including base salaries and other compensation. Other compensation shall include allowances, overtime, deferred compensation, leave cash-out payments and the percentage of base salaries that the City pays as the employer's CalPERS contribution, except where certain employees' safety and effectiveness may require non-disclosure, such as undercover peace officer employees.

(2) The City Manager shall prepare and distribute a weekly report of City affairs for distribution to the City Council. This report shall be a public record subject to inspection at the Office of the City Clerk during normal business hours. (Ord. 262.5 (2), 11/6/07; Ord. 262.1 (3) (part), 4/5/05)

#### I-310-3.120 Fees for Duplication

(a) No fee shall be charged for making public records available for review.

(b) For documents routinely produced in multiple copies for distribution, e.g., meeting agendas and related materials, unless a special fee has been established pursuant to subsection (d) of this section, a fee not to exceed ~~ten~~ ten cents (10¢) per page may be charged, plus any postage costs with the approval of the City Council ~~Open Government~~ Rules Subcommittee.

(c) For documents assembled and copied to the order of the requester, unless a special fee has been established pursuant to subsection (d) of this section, a fee of ~~ten~~ ten cents (10¢) per page shall be charged, plus any postage.

(d) A department may establish and charge a higher fee than the ~~ten~~ ten-cent (10¢) presumptive fee in subsection (b) of this section and the ten-cent presumptive fee in subsection (c) of this section if it prepares and posts an itemized cost analysis establishing that its cost per page impression exceeds the amounts listed above, as the case may be. The cost per page impression shall include the following costs: one sheet of paper; one duplication cycle of the copying machine in terms of toner and other specifically identified operation or maintenance factors, excluding electrical power. Any such cost analysis shall identify the manufacturer, model, vendor and maintenance contractor, if any, of the copying machine or machines referred to. The above fee increases must have approval from both the City Council ~~Open Government~~ Rules Subcommittee and the City Council prior to taking effect.

(e) Video copies of video recorded meetings shall be provided to the public upon request for the actual cost of materials (i.e., videotape) per meeting. Audio tapes of audio taped meetings shall be provided upon public request for the actual cost of the tape by the policy body whose meeting was recorded. The City Council ~~Open Government Rules~~ Subcommittee shall determine these costs. (Ord. 262.4 (2) (part), 1/16/07; Ord. 262.1 § 3 (part), 4/5/05)

#### I-310-3.130 Compilation of Records Available On-line ~~Index to Records~~

The City shall display in a convenient location on its Website, a compilation of on-line document resources with appropriate links if possible. To the extent it is reasonable, records not available on-line, but otherwise available from the City from other sources, shall be identified on the Website together with the location where they may be accessed.

~~The City shall prepare, within 12 months of the passage of the ordinance codified in this chapter, a public records index that identifies the types of information and documents maintained by the City and its departments, agencies, boards, commissions, and elected officers. The index shall be for the use of City officials, staff and the general public, and shall be organized to permit a general understanding of the types of information maintained, by which officials and departments, for which purposes and for what periods of retention, and under what manner of organization for accessing, e.g., by reference to a name, a date, a proceeding or project, or some other referencing system. The index need not be in such detail as to identify files or records concerning a specific person, transaction or other event, but shall clearly indicate where and how records of that type are kept. Any such master index shall be reviewed by appropriate staff for accuracy and presented for formal adoption to the administrative official or policy body responsible for the indexed records. The City Clerk shall be responsible for the preparation of this records index.
