RECITALS AND FINDINGS:

WHEREAS, the City of Milpitas finds that the activity by pedestrians in the roadway, including the median, distracts drivers from their primary duty to watch traffic and be alert for potential hazards in the roadway, to observe all traffic control signals, signs or warnings, and to be prepared to move through the City’s streets and intersections; and

WHEREAS, the practice of loitering in a public street subjects pedestrians and vehicles to an unacceptable level of danger by distracting drivers from their primary duty to watch traffic and results in the delay and obstruction of the public’s free flow of travel, and results in congestion and blockage of the streets when such persons approach the vehicles to speak with the occupants; and

WHEREAS, distracted drivers are more prone to be involved in automobile accidents, and accidents on the public streets constitute a substantial traffic safety problem; and

WHEREAS, the cumulative impact of this type of activity on the streets and highways on a daily basis creates a potential safety hazard, which poses a significant and substantial risk to the interest of the public in the free flow of travel; and

WHEREAS, the City Council finds that the prohibitions imposed by this Ordinance are intended to provide for the public safety and well-being of the community; and

WHEREAS, the City Council finds that this Ordinance is a reasonable time, place and manner regulation of speech; and

WHEREAS, the City Council finds that this Ordinance is content neutral and is not intended and does not restrict the right of free speech or alternative channels of communication; and

WHEREAS, the City Council finds that with the inclusion of the amendments herein, the Municipal Code remains internally consistent; and

WHEREAS, the City Council finds, pursuant to Title 14 of the California Code of Regulations, Section 15061(b)(3), that this Ordinance is exempt from the requirements of the California Environmental Quality Act (CEQA) in that it is not a Project which has the potential for causing a significant effect on the environment.

NOW, THEREFORE, the City Council of the City of Milpitas does ordain as follows:

SECTION 1. RECORD AND BASIS FOR ACTION

The City Council has duly considered the full record before it, which may include but is not limited to such things as the City staff report, testimony by staff and the public, and other materials and evidence submitted or provided to the City Council. Furthermore, the recitals set forth above are found to be true and correct and are incorporated herein by reference.

For the purposes of this section, "median strip" means a non-landscaped, paved, planted, or otherwise landscaped strip of ground dividing a street or highway into lanes according to the

direction of travel. This section shall not apply to authorized public officers or employees, or employees of a public utility when necessary to enter upon the street and/or median strip in the line of duty.

SECTION 3. SEVERABILITY

The provisions of this Ordinance are separable, and the invalidity of any phrase, clause, provision or part shall not affect the validity of the remainder.
