

**Entrance Vestibule - Image #1****"Thriving Energy!"**

This art piece is a composition Painting of seniors interacting, socializing, dancing, creating an optimistic and welcoming sense of place in the Center entrance.

The painting will be in warm pastels on a wood panel that will attach to the wall. The surface will be coated with a layer of varnish to protect the color and allow for easy dusting and minimal maintenance.

**Lobby Fireplace - Image #2****"Garden Fantasy"**

An intricate design of hand made mosaic pieces surrounds the fireplace creating a visual celebration of a garden in bloom! The mosaic pieces are attached and integrated perfectly with the interior architecture. The mosaic is durable and easy to clean.

**Lobby Wall - Image #3****"Our View"**

This Painting is truly "Our View" of the beautiful Milpitas Hills as seen from Sandy Wool Lake. Matted and framed in Museum quality materials, this Sennelier pastels painting will represent a treasured landscape of Milpitas .

**Hallway - Image #4****"Four Seasons"**

The symbolism of Nature's Four Seasons are captured in a panels of a metal design that use Copper, Brass and Steel. The variations in color and material represent continuous changes in the seasons while at the same time showing the diversity of the Milpitas populace.

**Senior Entrance Vestibule II - Image #5****"Backside of Hill (Calaveras Reservoir)"**

This three-panel painting is inspired by the quiet nature that still exist in Milpitas despite our population growth and development of the technological industry and framed in Museum quality materials, this Sennelier pastels painting will represent a treasured landscape of Milpitas.

**Lobby Wall II - Image #6****"Leaf Collage"**

The vision of the leaf collage is complimentary to the lobby with hues of earth tones colors, of brown, greens, rusts and burgundy. This watercolor technique dries around the leaf imprint creating a fossil effect of each leaf.
