**Subject:** Bring us a Super Walmart

I want Milpitas to have a Super Walmart, I use to live in Florida where we had tons of them they are so great I can do one stop shopping for my family of five and I know I am saving money which means the most to me. Since moving here I have traveled all the way to Gilroy from Sunnyvale just to go I have been saying to all my friends I just wish they would build a Super Walmart here and now it looks like that just may actually happen!! I am so excited of the prospect and wanted to issue this email in support. PLEASE bring us a Super Walmart!! Thanks so much, Sincerely, Tara R. Di Cairano

Cindy Hom, Planning Department

Dear Cindy Hom

I implore you to please consider the people of our community when voting on Wal-Mart's request to expand their store to allow food products, fruits & vegetables, and meat products at our McCarthy Ranch Wal-Mart!

Allowing our citizens this opportunity to purchase these products within Milpitas's borders will not only enable our citizens a greater choice of food products, at a better price (which we all need in today's current economy), but enrich the TAX base within Milpitas, provides additional Job for our citizens, provides us money to maintain our current level of services, and may also provide additional funds for Parks & Playground repair and upgrades for our children.

I see NO downside in providing a better opportunity for our Milpitas Citizens; it's a Win- Win situation for our community.

Please, Please, do not stand idly by while this golden opportunity exists for Milpitas.

I implore you to approve Wal-Mart's expansion so that our entire community can benefit.

Thank you

James Stoneberger

**Subject:** Regarding Wal-mart

To whom it may concern:

I will be unable to attend the planning meeting for the discussion of expanding the Wal-mart currently at McCarthy Ranch in Milpitas, however, I would like to voice my support of the idea. Right now I have to do my grocery shopping near home in Sunnyvale, at stores like Safeway, because the Wal-mart I use, the Milpitas one, does not have a full grocery store and is not a "Supercenter". That means the revenue goes to Sunnyvale, and not Milpitas. If you allowed Wal-mart to expand, I can guarantee you I would now shop for my groceries and household needs in Milpitas, at that Wal-mart, instead of Sunnyvale where I live. It would be the ultimate one-stop-shop. I know I wouldn't be the only one. I've already spoken to several of my co-workers and friends and they would do the same. It's a win-win for Milpitas. There are no other grocery stores around there to drive out of business anyway. The only business you would take away is from other cities. In this economy, I think this is a very smart move on the part of Milpitas.

Sincerely,

Shannon Day

30+ year Wal-mart Shopper

As a citizen of Milpitas for 50 years I fully recommend that you approve the WalMart Extension that has been talked about.

I personally do not understand why such a big to do is being made about this. Isn't America build on success? Those that say they want to save "local" stores, what are they talking about? Savemart, Lucky, Safeway all have over 200 stores in their chains. How can that be considered "local"

I hope that a common sense decision will be made allowing the addition.

We deserve to have a Super Walmart, or one that carry produce. It is hard to believe the area we live in that we don't have a Super Walmart but a small city, more than 30miles away does. I believe this would be great for the city and all the commuinities it supports. Please, try to see that the people of the bay area could benifit with such a store located in the area of this store.

**Subject:** Walmart Expansion

I am writing to you today in total support of the Walmart Expansion to a full service center. I for one am very excited to be able to lend my support for this project. I have shopped at the Walmart Super Centers in other cities and states and was amazed at the the variety and value of the products. I would really benefit from a Walmart Super Center here in Milpitas. I work the night shift and am returning home from work at about 8:30 A.M. and many times just don't have the energy to go from store to store. Also many stores don't open until 10:00 and by then it is just too late for me. It takes me days to get all my shopping done. I am also limited because I am handicapped and by the time I drive to several different stores, park and walk in I am already exhausted. Having the Walmart Super Center in Milpitas would really be a wonderful bonus for me and my family. I also hope that consideration will be given to the lower income families and people on a fixed income that this Super Center would help, especially in this economy.

Many residents of this senior citizens complex support expansion of Walmart Milpitas. It is convenient for us to reach. Let's keep our tax dollars in Milpitas. Many of us currently go to Gilroy for affordable groceries and other commodities. We are unable to attend meeting and hope our wishes are heard at the meeting. 2.2.10.

Dear Planning Commission Members:

I oppose Walmart's proposal to expand into a twenty-four hour supercenter. For the following reasons, I urge you to reject Walmart's application for a conditional use permit:

1. During the environmental impact report (EIR) public comment period, nearly 300 people wrote letters expressing their disapproval for Walmart's well documented corporate practices. The public's concern for worker welfare is a legitimate governmental purpose that should guide your planning decisions.
2. The EIR states that there is currently no surplus demand for groceries in our community and that Walmart's expansion into the grocery sector could negatively impact existing businesses in the market area.
3. In other communities, the entry of big box stores into the grocery market has driven down wages and benefits for employees of traditional supermarkets.
4. Currently, the grocery sector in Milpitas is dominated by unionized supermarkets and small, locally owned ethnic food stores that add to the city's unique character. Maintaining this balance by allowing such stores to absorb increased market demand is a legitimate planning objective.
5. The EIR states that increased traffic congestion beyond thresholds of significance will be an unavoidable adverse impact of Walmart's proposed expansion.
6. You can reasonably infer that increased crime will result from allowing Walmart to remain open all night long while selling alcoholic beverages until 2 A.M.
7. Walmart's proposal to convert existing general merchandise sales space to grocery sales will result in a loss of sales tax revenues to the City.

Walmart does not have any legal entitlement to expand its store. Its proposal requires a revocable conditional use permit that you can deny for any reason consistent with the general welfare. Therefore, please do the right thing and reject the company's application.

Sincerely,

**Dear Milpitas Planning Commissioners,**

I am a Walmart shopper and I support the plans to expand the Milpitas Walmart on Ranch Drive.

Expanding the Milpitas Walmart will increase consumer choice and tax revenue for the city, as well as provide dozens of new jobs for local residents. Many Milpitas area residents rely on Walmart for our most essential shopping needs and Walmart has proven over the years to be an active and important member of the Milpitas community.

Please vote to certify the EIR and to support Walmart's expansion plans for its Milpitas store.

**Dear Milpitas Planning Commissioners,**

I am a Walmart shopper and I support the plans to expand the Milpitas Walmart on Ranch Drive.

Expanding the Milpitas Walmart will increase consumer choice and tax revenue for the city, as well as provide dozens of new jobs for local residents. Many Milpitas area residents rely on Walmart for our most essential shopping needs and Walmart has proven over the years to be an active and important member of the Milpitas community.

Please vote to certify the EIR and to support Walmart's expansion plans for its Milpitas store.

**Dear Milpitas Planning Commissioners,**

I am a Walmart shopper and I support the plans to expand the Milpitas Walmart on Ranch Drive.

Expanding the Milpitas Walmart will increase consumer choice and tax revenue for the city, as well as provide dozens of new jobs for local residents. Many Milpitas area residents rely on Walmart for our most essential shopping needs and Walmart has proven over the years to be an active and important member of the Milpitas community.

Please vote to certify the EIR and to support Walmart's expansion plans for its Milpitas store.

**Dear Milpitas Planning Commissioners,**

I am a Walmart shopper and I support the plans to expand the Milpitas Walmart on Ranch Drive.

Expanding the Milpitas Walmart will increase consumer choice and tax revenue for the city, as well as provide dozens of new jobs for local residents. Many Milpitas area residents rely on Walmart for our most essential shopping needs and Walmart has proven over the years to be an active and important member of the Milpitas community.

Please vote to certify the EIR and to support Walmart's expansion plans for its Milpitas store.

**Dear Milpitas Planning Commissioners,**

I am a Walmart shopper and I support the plans to expand the Milpitas Walmart on Ranch Drive.

Expanding the Milpitas Walmart will increase consumer choice and tax revenue for the city, as well as provide dozens of new jobs for local residents. Many Milpitas area residents rely on Walmart for our most essential shopping needs and Walmart has proven over the years to be an active and important member of the Milpitas community.

Please vote to certify the EIR and to support Walmart's expansion plans for its Milpitas store.

Mr. David Jensen  
WalMart  
150 Post St. Suite 740  
San Francisco, CA 94108

Dear Mr. Jensen:

On behalf of the Milpitas Unified School District (MUSD), I would like to thank WalMart for its many years of giving to the students and staff of our school district.

Through WalMart's generous direct donations of schools supplies, many needy students have received the materials necessary to be successful in school. In addition Anthony Spangler Elementary school received 100,000 Campbell's Soup points, which were used to purchase jump ropes, balls, ball hoops, for students and flash drives for teachers.

I have been superintendent of the Milpitas Unified School District for seven years, and on two separate occasions, I have been invited to the McCarthy Ranch WalMart to receive checks totaling \$3,500.00. All of the money went directly into the classroom to support students and staff.

WalMart has been a good friend and community partner to the students and staff of the Milpitas Unified School District. WalMart truly does give back!

Best wishes,

To Whom It May Concern:

On behalf of the Milpitas Firefighters Toy Program, Milpitas Firefighters Local 1699, and the Milpitas Fire Department, I would like to take this opportunity to thank Wal-Mart of Milpitas for there continued support of our annual toy drive. Through generous grants, donations of new bicycles, and discounts on purchases of new toys, the Milpitas Firefighters Toy Program has been able to help brighten the holidays for hundreds of less fortunate children in our community each year. It is because of companies such as Wal-Mart of Milpitas that our organization is able to give back to the community in which we live and work in. It is with sincerity that we say "Thank You" for your continued support and look forward to working with your company to help give back to our community.

Sincerely,

**Subject:** More Walmart please.

Yes, I'm joining in late, but I won't let down Walmart. I was told you can forward my mail to the planning committee.

Here is my petition.  
-----

Members of the planning committee, please consider my petition. I am a resident of Milpitas, and I shop at Walmart. I like Walmart and I want to see more of the same. You may be wavering as to whether to vote yay or nay on the Walmart expansion. I have a better idea, let the customer vote yay or nay. The decision of Walmart expansion should be decided by democracy, the democracy of spending dollars. I spend dollars at Walmart. I vote for Walmart. If enough customers vote with their dollars, then Walmart's expansion will be a success.

I ask only that you not impede the process of democracy of dollars by allowing Walmart to build. After all, Walmart is accountable to customers. We, the customers are the king makers, and if our dollars crown Walmart as king, so be it. It was our free choice that did it.

Now there is an opposition group that hates Walmart. Walmart isn't to blame. If there is someone to blame, it is us customers. We made Walmart. The opposition group is not fighting Walmart. The opposition group is fighting us. They are trying to use a political process to get in the way of our democratic dollar votes that support more Walmart in Milpitas.

The greatest authority on the question of Walmart is us, the customer. No one should preempt the authority of the customer. The customer determines which stores rise and which stores fall. The customer can fire every last employee and manager, and we will do so if we choose. I have to admit change is hard, but if a store goes out of business, we customers were the ones who nailed the "for lease" sign on the outside of the building. Sorry, Kmart but we don't like you. Sorry Sears, but your hundred years of life is at an end. Sorry, Luckys, but we can't support two stores in Milpitas.

Members of the planning commission I petition you not to cast a no vote. If any person must cast the no vote, then let that be us, the customer. Let our dollars do the voting, whether Walmart succeeds or not.

Yes on Walmart expansion. Milpitas residents deserve a choice.

It is ironic that Save Mart is concerned about competition. It was Save Mart and Safeway etc., who put the local grocer, butcher, baker, and produce store out of business in the 1950's.

I just read in the Post about some cry babies from Save Mart, competition is good. As far as running you out of business, look at McCook, Nebraska. They have a privately owned grocery store about 1/2 mile from Walmart Super Center, they are thriving because they were required to adjust and be competitive, Safeway left. Bring a supercenter to Milpitas, I hate driving to Gilroy. Competition is good.

Dear Planning Commission Members:

I oppose Walmart's proposal to expand into a twenty-four hour supercenter. For the following reasons, I urge you to reject Walmart's application for a conditional use permit:

1. During the environmental impact report (EIR) public comment period, nearly 300 people wrote letters expressing their disapproval for Walmart's well documented corporate practices. The public's concern for worker welfare is a legitimate governmental purpose that should guide your planning decisions.
2. The EIR states that there is currently no surplus demand for groceries in our community and that Walmart's expansion into the grocery sector could negatively impact existing businesses in the market area.
3. In other communities, the entry of big box stores into the grocery market has driven down wages and benefits for employees of traditional supermarkets.
4. Currently, the grocery sector in Milpitas is dominated by unionized supermarkets and small, locally owned ethnic food stores that add to the city's unique character. Maintaining this balance by allowing such stores to absorb increased market demand is a legitimate planning objective.
5. The EIR states that increased traffic congestion beyond thresholds of significance will be an unavoidable adverse impact of Walmart's proposed expansion.
6. You can reasonably infer that increased crime will result from allowing Walmart to remain open all night long while selling alcoholic beverages until 2 A.M.
7. Walmart's proposal to convert existing general merchandise sales space to grocery sales will result in a loss of sales tax revenues to the City.

Walmart does not have any legal entitlement to expand its store. Its proposal requires a revocable conditional use permit that you can deny for any reason consistent with the general welfare. Therefore, please do the right thing and reject the company's application.

Sincerely,

Dear Commissioners,

As a Walmart shopper and local resident I urge you to support the expansion of the Milpitas Walmart store. Our Milpitas Walmart has been part of the community for over 16 years and this expansion will provide jobs, shopping value and community giving dollars for many Milpitas residents and organizations. At just over 18,000 square feet, the expansion is a small project that will greatly enhance the shopping experience at Walmart, attract more shoppers to other McCarthy Ranch businesses and generate additional tax revenue for Milpitas.

**Dear Milpitas Planning Commissioners,**

I am a Walmart shopper and I support the plans to expand the Milpitas Walmart on Ranch Drive.

Expanding the Milpitas Walmart will increase consumer choice and tax revenue for the city, as well as provide dozens of new jobs for local residents. Many Milpitas area residents rely on Walmart for our most essential shopping needs and Walmart has proven over the years to be an active and important member of the Milpitas community.

Please vote to certify the EIR and to support Walmart's expansion plans for its Milpitas store.

**RECEIVED**

**Dear Milpitas Planning Commissioners,**

I am a Walmart shopper and I support the plans to expand the Milpitas Walmart on Ranch Drive.

Expanding the Milpitas Walmart will increase consumer choice and tax revenue for the city, as well as provide dozens of new jobs for local residents. Many Milpitas area residents rely on Walmart for our most essential shopping needs and Walmart has proven over the years to be an active and important member of the Milpitas community.

Please vote to certify the EIR and to support Walmart's expansion plans for its Milpitas store.
