## Senior Advisor Commissioner

I believe I could be an asset to the Milpitas Senior Advisory Commission as I have worked with Students and faculty for many years.

I began in the Milpitas School District when my children were attending school.

In 1982 I went to Saratoga High School and was the Computer Technician as well as planning and instructing Teachers on the use of computers. I worked with Students, Parents and Staff in many capacities. While there I served on a committee that dealt with School Improvement Projects.

I retired from that position in 2000. Since then I have worked at the District Office in different support positions. In 2002 I transferred to Saratoga High's cafeteria as a part time assistant. I continue to work with Students and Facility as well as my co-workers. I believe these skills will be very useful as a Milpitas Senior Advisor Commissioner.
