

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MILPITAS AUTHORIZING THE PURCHASE OF A VACTOR SEWER CLEANING TRUCK FROM MARYLAND INDUSTRIAL TRUCKS, INC. THROUGH A COOPERATIVE PROCUREMENT CONTRACT

WHEREAS, the City of Milpitas has one functioning Vactor sewer cleaning trucks, since the backup truck has completely failed due to age and been taken out of service; and

WHEREAS, Section I-2-3.08(b) of the Milpitas Municipal Code authorizes the City Council to award contracts without competition when the purchase is through the federal General Services Administration (GSA); and

WHEREAS, Maryland Industrial Trucks, Inc., is the sole federal GSA contract holder for all fifty Vactor dealers throughout the United States and the sole authorized dealer for Vactor in Northern California is Owen Equipment Sales, located in Sacramento; and

WHEREAS, The City is guaranteed the lowest price that Vactor offers for the truck by making the purchase cooperatively through the federal GSA program.

NOW, THEREFORE, the City Council of the City of Milpitas hereby finds, determines, and resolves as follows:

1. The City Council has duly considered the full record before it, which may include but is not limited to such things as the City staff report, testimony by staff and the public, and other materials and evidence submitted or provided to the City Council. Furthermore, the recitals set forth above are found to be true and correct and are incorporated herein by reference.
2. City staff is authorized to purchase through the federal GSA a Vactor sewer cleaning truck from Maryland Industrial Trucks, Inc., for an amount not-to-exceed \$304,456.00.

Explain the reason for the budget change:

Background: The City of Milpitas has two Vactor sewer cleaning trucks. The backup truck has completely failed due to age and been taken out of service. The FY 2011-12 operating budget includes replacement of the out of service Vactor sewer cleaning truck. Maryland Industrial Trucks, Inc. is the sole Federal General Services Administration contract holder for all fifty Vactor dealers through out the United States. The sole authorized dealer for Vactor in Northern California is Owen Equipment Sales, located in Sacramento. Owen Equipment Sales staff worked with Milpitas staff to prepare the specifications for the truck. They then sent the specifications to Maryland Industrial Trucks, Inc. who prepared the GSA quote. Owens Equipment Sales will also act as the City's liaison to Maryland Industrial Trucks, Inc. during the manufacturing process to assure that the truck is built to the correct City specifications. When the truck is ready they will also deliver it to the City and provide staff training on the proper operation of the truck, as well as taking care of all warranty issues, parts and service from that point on. The City is guaranteed the lowest price that Vactor offers for the truck by making the purchase cooperatively through the Federal General Services Administration program. Cooperative purchasing from the Federal General Services Administration is specifically authorized pursuant to Municipal Code Section I-2-3.08 "Cooperative Procurement".

Fiscal Impact: Current year's operating budget includes \$278,658 for the purchase, available from the Equipment Replacement Fund and the Public Works Operating Budget. The remaining balance of \$25,798 requires a budget appropriation and the funding is available from the Sewer Fund.

Recommendations:

1. Adopt a resolution authorizing the purchase of a Vactor sewer cleaning truck from Maryland Industrial Trucks, Inc. for the not-to-exceed amount of \$304,456 through the use of a cooperative procurement contract.
2. Approve a budget appropriation of \$25,798 from the Sewer Fund to the Public Works Department.
