Sir:

Sifu Meng's Kung Fu Academy was established in the Bay Area in 1990. The Academy operates four schools in California. They not only provide kung fu and self-defense skills, but they also teach self-esteem, concentration and self-discipline. Sifu Meng's Kung Fu Academy regularly provides free performances to many non-profit organizations throughout the Bay Area.

In addition to improving kung fu skills with people the world over, every 2 years, Sifu Meng Kung Fu Academy hosts international competitions. This promotes fitness for the American people and improves the kung fu skill level in the American community. This is a stimulus to local businesses and improves international relations. Sifu Meng's Kung Fu Academy hopes to someday bring kung fu competition into the summer Olympics with America as the forerunner.

To this purpose, I, together with the Academy, would like to bring an international kung fu tournament to the Bay Area on October 15, 2011. The Academy instructors have known the Guangdong Chinese Wu Shu Association's Tai Qi teacher, Ms. Ai Ya Zhao, for over 10 years now. We would like to formally invite her to come to America to supervise this tournament. During her time in America, the Academy will be fully responsible for all of her living expenses and will guarantee that Ms. Zhao will return to China at the conclusion of the tournament. We request and hope that the Guangzhou Embassy will provide the visa for Ms. Zhao to come to America to participate in this tournament.

We look forward to your positive support and assistance. Please contact me if you have more questions or need more detailed information.

Respectfully yours,

Jose Esteves
Mayor, City of Milpitas, CA

I will have to try and contact the sender of the email. I do not know why GuangzhouFPM@state.gov sent the email to only your attention and the Mayor. To the best of my knowledge no other Councilmembers were sent correspondence.
