

Comparison of Bay Area Malls

*6

	MALL	OWNER	CITY	GLA SQ. FT.	POLICE SERVICES	OFCRS	COST SHARING	BLACK FRIDAY	COST SHARING
1	Great Mall	Simon	Milpitas	1,361,000	Four (4) officers are regularly assigned to the Great Mall, and they are supplemented by officers from Patrol Services as needed. Officers (on-duty and on overtime) are assigned to the Great Mall on Black Friday and during the holiday season. The Great Mall currently pays for two (2) officers, but does not pay for any other police services.	4	2 officers	17 officers (on-duty and on overtime)	0
2	Stanford	Simon	Palo Alto	1,374,000	Officers are not regularly assigned to the Stanford Mall. They respond to calls for service as needed. Only two major stores open early for Black Friday. On-duty officers are utilized on Black Friday and during the holiday season, and the number of officers depends on available staffing. All costs are incurred by the City of Palo Alto; the Stanford Mall does not pay for any of the police services.	0	0	on-duty officers (depends upon available staffing)	0
3	Stoneridge	Simon	Pleasanton	1,301,000	Officers are not regularly assigned to the Stoneridge Mall. They respond to calls for service as needed. Only some of the major stores at the Stoneridge Mall open early for Black Friday; the entire Stoneridge Mall itself does not open early for Black Friday. No time-off for officers is allowed on Black Friday. All available traffic officers [up to five (5) traffic officers] are assigned to the Stoneridge Mall all as well as certain available officers from Patrol for Black Friday. There is no officer overtime used; only on-duty personnel are utilized. Depending on staffing, there could be between three (3) and eight (8) officers working at the Stoneridge Mall on Black Friday. One officer is assigned to the Stoneridge Mall as a walking beat from noon to 10 pm during the holiday season. All costs are incurred by the City of Pleasanton; the Stoneridge Mall does not pay for any of the police services.	0	0	3 to 8 on-duty officers	0
4	Hilltop	Simon	Richmond	1,094,000	Officers are not regularly assigned to the Hilltop Mall, but one bicycle officer in the northern districts serves as the mall liaison in order to coordinate services. Officers respond to calls for service as needed. About four (4) officers are assigned to the Hilltop Mall on Black Friday, and there are between two (2) and four (4) officers at the Hilltop Mall during the holiday season. On-duty personnel from special assignments (such as bicycle officers and school resource officers) are redeployed to the Hilltop Mall during the holiday season. All costs are incurred by the City of Richmond; the Hilltop Mall does not pay for any of the police services.	0	0	2 to 4 on-duty officers	0

	MALL	OWNER	CITY	GLA SQ. FT.	POLICE SERVICES	OFCRS	COST SHARING	BLACK FRIDAY	COST SHARING
5	Newpark	Rouse	Newark	1,210,000	There used to be an agreement between the Newpark Mall and the City of Newark for the Newpark Mall to pay for one officer assigned to the Newpark Mall, but that agreement ended about four (4) years ago. Now, there is no officer assigned to the Newpark Mall, but officers respond to calls for service as needed. There is still a partnership with the Newpark Mall where on-duty officers will be redeployed there for special events (such as shoe releases). There are usually two (2) traffic officers assigned to the Newpark Mall on Black Friday for traffic control purposes. There are extra patrols at the Newpark Mall during the holiday season, and some overtime is expended. All costs are incurred by the City of Newark; the Newpark Mall no longer pays for any of the police services.	0	0	2 on-duty officers	0
6	Southland	Rouse	Hayward	1,280,000	There used to be a contract between the Southland Mall and the City of Hayward for the Southland Mall to pay for one of the two officers assigned to the Southland Mall, but that contract ended several years ago. Now, there is no officer regularly assigned to the Southland Mall, but officers respond to calls for service as needed. Officers on overtime and reserve officers are assigned to the Southland Mall during the holiday season starting on Black Friday. The Southland Mall pays for the overtime and makes a donation to the reserve officer program.	0	0	2 to 4 officers (officers on overtime and reserve officers)	\$103.26/hour per officer and a donation to the reserve officer program
7	Eastridge	GGP	San Jose	1,310,000	Officers are not regularly assigned to the Eastridge Mall. They respond to calls for service as needed. Officers are not assigned to the Eastridge Mall on Black Friday or during the holiday season. The Eastridge Mall can hire off-duty officers for pay-jobs on Black Friday and during the holiday season.	0	0	no on-duty officers	pay-jobs only
8	Hillsdale	Bohannon	San Mateo	1,250,000	Officers are not regularly assigned to the Hillsdale Mall. They respond to calls for service as needed. Officers are not assigned to the Hillsdale Mall on Black Friday or during the holiday season.	0	0	0	0
9	Oakridge	Westfield	San Jose	1,100,600	Officers are not regularly assigned to the Oakridge Mall. They respond to calls for service as needed. Officers are not assigned to the Oakridge Mall on Black Friday or during the holiday season. The Oakridge Mall can hire off-duty officers for pay-jobs on Black Friday and during the holiday season.	0	0	no on-duty officers	pay-jobs only
