Explain the reason for the budget change:

Background: The Milpitas Library opened on January 10, 2009, to the public providing programs and diverse resources, promoting knowledge, ideas and cultural enrichment to the Milpitas community and other patrons. The new library was a culmination of the hard work and dedication of a small group of individuals who had the initial vision for planning and constructing the new Milpitas Public Library. There has been no formal acknowledgement of these individuals' hard work.

At the commission's September 16, 2013 meeting, the Library Advisory Commissioners voted to recommend that a plaque acknowledging the vision of the initial volunteers be placed in the Milpitas Public Library.

Proposed Plaque Language: A proof of the Library Advisory Commission recommended plaque is included in the agenda packet. The Library Advisory Commission voted unanimously on the language and display at their November 18, 2013 commission meeting. If approved by the City Council, staff will coordinate a dedication sate with the Commission for future consideration by the City Council.

Fiscal Impact: No more than \$3,000. Funds are available from the Measure I Transient Occupancy Tax (TOT) Fund.

Recommendations:

- 1) Approve budget appropriation of \$3,000 from Measure I TOT Fund to the City Council Community Promotions Unallocated budget.
- 2) Approve placement of new plaque in Milpitas Public Library honoring individuals who were instrumental with the building of the new Milpitas Public Library.
