

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MILPITAS APPROVING ANNUAL ENGINEER'S REPORT, CONFIRMING DIAGRAM AND ASSESSMENT AND ORDERING LEVY OF ASSESSMENT FOR FISCAL YEAR 2014-2015 FOR LANDSCAPING AND LIGHTING MAINTENANCE ASSESSMENT DISTRICT NO. 98-1

WHEREAS, by its Resolution No. 8362, A Resolution Directing Preparation of Annual Engineer's Report for the City of Milpitas Maintenance Assessment District No. 98-1 (the "Maintenance District"), this Council ordered the Engineer to make and file a report in writing in accordance with and pursuant to the Landscaping and Lighting Act of 1972; and

WHEREAS, the report was duly made and filed with the City Clerk and duly considered by this Council and found to be sufficient in every particular, whereupon it was determined that the report should stand as the Annual Engineer's Report for all subsequent proceedings under and pursuant to the aforesaid Resolution, and that June 3, 2014 at the hour of 7:00 p.m. in the Milpitas City Council Chambers, 455 East Calaveras Boulevard, Milpitas, California, were appointed as the time and place for a hearing by this Council on the question of the levy of the proposed assessment, notice of which hearing was given as required by law; and

WHEREAS, at the appointed time and place the hearing was duly and regularly held, and all persons interested desiring to be heard were given an opportunity to be heard, and all matters and things pertaining to the levy were fully heard and considered by this Council, and all oral statements and all written protests or communications were duly heard, considered and overruled, and this Council thereby acquired jurisdiction to order the levy and the confirmation of the diagram and assessment prepared by and made a part of the Annual Engineer's Report to pay the costs and expenses thereof.

NOW, THEREFORE, the City Council of the City of Milpitas hereby finds, determines, and resolves as follows:

1. The City Council has considered the full record before it, which may include but is not limited to such things as the staff report, testimony by staff and the public, and other materials and evidence submitted or provided to it. Furthermore, the recitals set forth above are found to be true and correct and are incorporated herein by reference.
2. The public interest, convenience and necessity require that the levy be made.
3. The Maintenance District benefited by the improvements and assessed to pay the costs and expenses thereof, and the exterior boundaries thereof, are as shown by a map thereof filed in the office of the City Clerk, which map is made a part hereof by reference thereto.
4. The Engineer's Report as a whole and each part thereof are finally approved and confirmed, including:
 - (a) The Engineer's estimate of the itemized and total costs and expenses of maintaining the improvements and of the incidental expenses in connection therewith; and
 - (b) The diagram showing the assessment district, plans and specifications for the improvements to be maintained and the boundaries and dimensions of the respective lots and parcels of land within the Maintenance District; and
 - (c) The assessment of the total amount of the costs and expenses of the proposed maintenance of the improvements upon the several lots and parcels of land in the Maintenance District in proportion to the estimated benefits to be received by such lots and parcels, respectively, from the maintenance, and of the expenses incidental thereto.
5. Final adoption and approval of the Engineer's Report as a whole, and of the plans and specifications, estimate of the costs and expenses, the diagram and the assessment, as contained in the report, as

hereinabove determined and ordered, is intended to and shall refer and apply to the report, or any portion thereof as amended, modified, or revised or corrected by, or pursuant to and in accordance with, any resolution or order, if any, heretofore duly adopted or made by this Council.

6. The assessment to pay the costs and expenses of the maintenance of the improvements for fiscal year 2014-2015 is hereby levied. For further particulars pursuant to the provisions of the Landscaping and Lighting Act of 1972, reference is hereby made to the Resolution Directing Preparation of Annual Report.
7. Based on the oral and documentary evidence, including the Annual Engineer's Report, offered and received at the hearing, this Council expressly finds and determines (a) that each of the several lots and parcels of land will be specially benefited by the maintenance of the improvements at least in the amount, if not more than the amount, of the assessment apportioned against the lots and parcels of land, respectively, and (b) that there is substantial evidence to support, and the weight of the evidence preponderates in favor of, the aforesaid finding and determination as to special benefits.
8. Immediately upon the adoption of this Resolution, but in no event later than the third Monday in August following such adoption, the City Clerk shall file a certified copy of the diagram and assessment and a certified copy of this Resolution with the Auditor of the County of Santa Clara. Upon such filing, the County Auditor shall enter on the County assessment roll opposite each lot or parcel of land the amount of assessment thereupon as shown in the assessment. The assessments shall be collected at the same time and in the same manner as County taxes are collected, and all laws providing for the collection and enforcement of County taxes shall apply to the collection and enforcement of the assessments. After collection by the County, the net amount of the assessments, after deduction of any compensation due the County for collection, shall be paid to the Director of Financial Services/Treasurer of the City.
9. Upon receipt of moneys representing assessments collected by the County, the Director of Financial Services/Treasurer shall deposit the moneys in the City Treasury to the credit of the improvement fund previously established under the distinctive designation of the Maintenance District. Moneys in the improvement fund shall be expended only for the maintenance, servicing, construction or installation of the improvements.

ANNUAL ENGINEER'S REPORT
LANDSCAPING AND LIGHTING
MAINTENANCE ASSESSMENT
DISTRICT NO. 98-1

Jeff C. Moneda, Engineer of Work for Landscaping and Lighting Maintenance Assessment District No. 98-1, City of Milpitas, Santa Clara County, California, makes this report, as directed by the City Council, pursuant to Section 22585 of the Streets and Highways Code.

The improvements which are the subject of this report are briefly described on the attached Exhibit A.

This report consists of seven parts, as follows:

PART A- Plans and specifications for the improvements to be maintained and operated are filed with the City Clerk. Although separately bound, the plans and specifications are a part of this report and are included in it by reference.

PART B- An estimate of the cost of the improvement to be maintained or operated.

PART C- An assessment of the estimated cost of the improvement to be maintained or operated on each benefited parcel of land within the assessment district.

PART D- A statement of the method by which the undersigned has determined the amount proposed to be assessed against each parcel.

PART E- A list of the names and addresses of the owners of the real property within this assessment district, as shown on the last equalized assessment roll for taxes, or as known to the Clerk.

PART F- A diagram showing all of the parcels of real property within this assessment district. The diagram is keyed to the Assessment Roll by assessment number.

PART G- A vicinity map showing the landscape areas.

Respectfully submitted,

Jeff C. Moneda, Engineer of Work

PART D
METHOD OF ASSESSMENT
LANDSCAPING AND LIGHTING MAINTENANCE
ASSESSMENT DISTRICT NO. 98-1

All parcels in the District on which residential dwelling will be constructed specially benefit from the improvements to an equivalent extent. These parcels are therefore assessed on a per lot basis for the maintenance and operation of the Landscaping and Lighting Maintenance assessment District No. 98-1, including incidentals and appurtenances, and shall include all the costs of maintenance and/or operating the improvements.

Due to the location of the improvements within the District and the relative geographic isolation of the district within the City, the general benefit derived from the improvements is minimal and is determined to be less than 10% of the total benefit resulting therefrom. The current owner of all of the parcels within the District made a one time cash contribution in the amount of \$31,252.00, the value of which over time will exceed the proportional general benefit resulting from the improvements.

The Assessments shown in this Engineer's Report are the amount for Fiscal Year 2002-2003. These amounts shall increase in the U.S. Department of Labor, Bureau of Labor Statistics, Consumer Price Indexes, Pacific Cities and U.S. City Average, San Francisco-Oakland-San Jose from April 1, 1998 to April 1 of the year following the year of assessment.

Any properly owner who feels that the amount of their assessment is in error as a result of incorrect information being used to apply the foregoing method of spread, may file an appeal with the Finance Director of the City. Any such appeal is limited to correction of an assessment during the then current year or, if before July 1, the upcoming fiscal year. Upon the filing of any such appeal, the Finance Director shall promptly review the information provided by the property owner and if he finds that the assessment should be modified, he shall have the authority to make appropriate changes in the assessment roll. If any such changes are approved after the assessment roll has been filed with the County for collection, the Finance Director is authorized to refund to the property owner the amount of any approved reduction.
