Dear Mr. Thomas,

I would like to express our interest in participating to this project of contributing some sort of cultural representation of the Philippines to the International Park in Milpitas. I have contacted the President of the Fil-Am Organization here in and he wanted to know the details of this project. Please consider this letter as our initial correspondence with you and let us know how we may help the community.

Thank you.

Sincerely,

Hello Mr. Williams,

Thank you for inviting us for the meeting the other day. As indicated, the Indian community is interested in participating in the International Park program and request a piece of the park be reserved for Indian community for further development.

Thank you.

Best regards

Letter of Interest

Mr. Thomas C. Williams, City Manager
City of Milpitas
455 E. Calaveras Blvd.
Milpitas, CA 95035-5411

I am writing to show our interest to create a Korean park as a part of an international park in City of Milpitas. Korean community will be responsible for creation and maintenance of the Korean park.

I am the Chairperson of Board of Directors at the Korean Language and Culture Foundation, a non-profit organization located in City of Milpitas, where has been established to promote Korean language and culture in U.S.

When the international park is built in City of Milpitas, it will be a great place for citizens especially students in City of Milpitas to learn about different cultures such as Korean culture.

If you have any concern or question, please do not hesitate to contact me at drkoo@adroitcollege.org or 408-805-4554.

Sincerely,

LETTER OF INTENT

To: Mrs Rachelle Curie

Executive Secretary to City Manager Tom Williams

Office of City Manager & City Council –City of Milpitas

Ref: TO PARTICIPATE WITH INTERNATIONAL PARK PROGRAM

Dear Mrs Rachelle Curie

On behalf of VietNameese Community in Milpitas City, a part of VietNameese American Community of Northern California, we are writing this letter to request the City of Milpitas to consider our Viet Community to participate with The International Park Program. The VietNameese Community population is increasing in the Milpitas City, we need to have an area for VietNam Park.

As you have known, there were more than 3 million of our fellows, VietNameese people who were forced to leave our country. On the way to seek for our freedom, over a half million of our innocent people, our relatives who died on the high sea, or even in the wild jungle. We, refugees from The Republic of South VietNam were blessed to find the freedom in The US. The largest VietNam community who are living in Northern California, especially in the City of Milpitas.

We now settled in The United States, the land of opportunity, democracy and justice. We have all. But nothing can represent for the pain of our people, soldiers and foreigners who risked their lives to fight for freedom for VietNam . That why we need an area for VietNam Community Park in Milpitas City.

We, the VietNameese Community in Milpitas City, sincerely request the City to consider for our Community to anticipate the International Park Program at the TOM EVATT PARK site located on Main Street. This site, which will display VietNameese Community identity like the South VietNam Flag. This VietNam Park, will represent the feelings and the culture of VietNameese Community in Milpitas City. The place to remember.

We, once again, are now respectfully asking the City favor, the consideration to approve for us to participate the National Park Program. Finally, We greatly appreciated you to share our painful story and help our VietNameese Community in Northern California to consider our request sooner. We look forward to hear from you soon.
