**1. PROBLEM STATEMENT**

Milpitas is located on the northern tip of Santa Clara County and is considered the “Crossroads of Silicon Valley.” Since the computer boom of the 1980’s, Milpitas has become a primary commuter connection between the Silicon Valley and the bedroom communities in the San Joaquin Valley. The two major interstates, I680 and I880, State Route 237, and Montague Expressway, brings a tremendous amount of vehicular traffic through the city.

Although the city incorporates only 14.5 square miles and has 137 miles of surface streets, tens of thousands of vehicles travel through the city daily. The population was 66,790 at the 2010 census. This enormous amount of vehicular traffic creates congestion and safety challenges for the city. The corporate headquarters of [Maxtor](#), [LSI Logic Corporation](#), [Adaptec](#), [Flextronics](#), [Cisco Systems](#), [KLA-Tencor](#), and [SanDisk](#), sit within the industrial zones of Milpitas. .

The Milpitas Police Department has been diligent about addressing these issues. The major focus has been attempting to reduce the collision rate on the major arterial streets.

Patrol Services consists of 50 full time sworn officers. There are anywhere from 5 to 7 officers on duty per shift. The Traffic Safety Unit is responsible for handling all traffic related incidents, with their primary focus being enforcement of traffic laws. The Traffic Safety Unit consists of one Sergeant and four motorcycle officers, The Traffic Safety Unit handles a majority of the vehicle collisions; traffic related calls for service; and issues a majority of the citations.

In 2015, there were approximately 1170 collision reports and over 253 hit & run collision reports, with several hundred collisions that went unreported. The Milpitas Police Department investigated 49 DUI related collisions. The Milpitas Police Department investigated 3 fatal traffic collisions. One of those fatal collisions was DUI related. The driver left the deceased victim in his vehicle and fled the scene. The District Attorney as issued a Felony Warrant of his arrest. The suspect has still not been located. The other two fatal collisions were involving a bicyclist and a pedestrian. The fatal collision involving the bicyclist was also a hit and run, but the suspect was located and arrested.

Although efforts have been made to enforce traffic violations by patrol officers, there has been little decline in the number of injury collisions. Additionally, traffic complaints, including school-related traffic issues, speeding vehicles and pedestrian violations along our major thoroughfares are the number one community concern expressed to police administrative staff and city officials. When complaints are received they are currently assigned to the traffic unit for enforcement. Unfortunately, high volume of these complaints competes with inadequate staffing in the traffic and patrol units.

With a best practice and focused enforcement plan designed through the Strategic Traffic Enforcement Program, the Milpitas Police Department will be more successful in addressing the problems associated with DUI drivers, red light runners, speeding vehicles, other aggressive driving, distracted driving, and an increased pedestrian and bicyclist safety program

The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the Grantee Agency Official to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the Grantee Agency Official knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
4. The Grant Agency Official shall provide immediate written notice to the department or agency to which this grant agreement is submitted if at any time the Grantee Agency Official learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms *covered transaction*, *debarred*, *suspended*, *ineligible*, *lower tier covered transaction*, *participant*, *person*, *primary covered transaction*, *principal*, *grant agreement*, and *voluntarily excluded*, as used in this clause, have the meaning set out in the Definitions and coverage sections of 49 CFR Part 29.
