Mr. Phan,

In this instance, I'm writing as an individual. Please advise if this is acceptable.

Thanks,
Derick

Mr. Mitchell,

Thank you for your correspondence. Are you writing in an official capacity on behalf of Flex or as an individual?

Kind regards,

Dear Mr. Misner,

As you may know, Flex has been a part of Milpitas community for decades and, currently, we have approximately fifteen buildings in close proximity to the proposed space contemplated to be occupied by the applicant, the Ismaili Cultural Center. We have been informed that this cultural center will be occupying about 9000 sq. ft. of space which we believe will not cause any noticeable or adverse changes in the current setup around our buildings. We welcome the Cultural Center and its community near us and we do not believe that their presence in near proximity would be detrimental to our business in any form. If you have additional questions, please feel free to contact me directly.
