

City of Milpitas Building & Safety Department

With sincerest wishes from all of us
for hope, happiness and peace during this
Holiday Season and throughout the coming year

Highlights of Online Services

- ✦ *Online Plan Check by Appointment*
- ✦ *Online Plan Submittal*

Streamlined Permitting Process

✦ *Customer Tracking System*

The new Customer Tracking System which allows customers to sign in as soon as they arrive at the counter . This information will be also used to generate a report of number of customers being served within any specific time range.

✦ *New Single Permit Card*

Building Permit Card now includes all sub trades, such as plumbing, mechanical and electrical, which were previously issued with separate permit cards.
