

RESOLUTION NO. 8139

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MILPITAS APPROVING BIENNIAL RATE CEILING ADJUSTMENTS FOR ALLIED SOLID WASTE SERVICES

WHEREAS, the City maintains franchise agreements with Allied Waste Services for the private collection, processing and disposal of solid waste, recyclables, yard trims, and street sweeping services; and

WHEREAS, Allied Waste Services does provide waste disposal services, including collection and processing services for the community's solid waste and recycling needs, residential yard trimmings, and provides street sweeping services in accord with those agreements; and

WHEREAS, the collection and disposal agreements identify mechanisms for periodic adjustments of the maximum ceilings for the rates that the private franchised company may charge for the provision of such services; and

WHEREAS, the City has reviewed the rate adjustment statement from Allied Waste Services and determined that it complies with the contractually agreed-upon formulae and inflation adjustors; and

WHEREAS, uncodified City of Milpitas Ordinance No. 276.1, setting the rate ceilings for 2010 and 2011 recycling and solid waste services, shall terminate upon the adoption of this Resolution pursuant to the effectiveness and self-termination provisions of that Ordinance.

NOW, THEREFORE, the City Council of the City of Milpitas hereby finds, determines, and resolves as follows:

1. The City Council has considered the full record before it, which may include but is not limited to such things as the staff report, testimony by staff and the public, and other materials and evidence submitted or provided to it. Furthermore, the recitals set forth above are found to be true and correct and are incorporated herein by reference.
2. The attached Exhibit A sets forth the approved not-to-exceed rate ceilings for recycling, yard waste and solid waste services effective January 1, 2012 and January 1, 2013.
3. The collection agreements for recycling, yard waste and solid waste services shall be amended to reflect the approved rate ceilings effective January 1, 2012 and January 1, 2013, as shown in attached Exhibit A.

PASSED AND ADOPTED this 15TH day of November 2011 by the following vote:

Late Utility Payment Penalties

All accounts are due and payable within fifteen (15) days of the date of the bill. Accounts shall become delinquent and a late fee equal to five percent of the amount due shall be imposed if payment has not been received by 5:00pm on the due date.

Prior to discontinuing service for delinquent accounts, a final notice shall be issued to delinquent account and payment shall be due within fifteen (15) days of the date of the final notice. If payment has not been received by 5:00 p.m. of the due date of the final notice, an additional late fee equal to five percent of the amount then due shall be imposed. A twenty-four (24) hour warning notice shall be placed on an exterior door of the building where service is provided and for which payments are delinquent and a service charge of ten dollars (\$10) shall be imposed on the delinquent account.

Said warning notice shall state that water and/or solid waste service will be discontinued if payment of the delinquent account is not received by 5:00 p.m. of the due date indicated on the warning notice. If payment has not been received by 5:00 p.m. of the due date on the warning notice, water and/or solid waste service shall be discontinued.

Restoration of service which has been discontinued for non-payment of a bill may be had by payment of all outstanding charges to date plus a fifty-dollar (\$50.00) service charge at the offices of the City during normal business hours.

Late Utility Payment Penalties

All accounts are due and payable within fifteen (15) days of the date of the bill. Accounts shall become delinquent and a late fee equal to five percent of the amount due shall be imposed if payment has not been received by 5:00pm on the due date.

Prior to discontinuing service for delinquent accounts, a final notice shall be issued to delinquent account and payment shall be due within fifteen (15) days of the date of the final notice. If payment has not been received by 5:00 p.m. of the due date of the final notice, an additional late fee equal to five percent of the amount then due shall be imposed. A twenty-four (24) hour warning notice shall be placed on an exterior door of the building where service is provided and for which payments are delinquent and a service charge of ten dollars (\$10) shall be imposed on the delinquent account.

Said warning notice shall state that water and/or solid waste service will be discontinued if payment of the delinquent account is not received by 5:00 p.m. of the due date indicated on the warning notice. If payment has not been received by 5:00 p.m. of the due date on the warning notice, water and/or solid waste service shall be discontinued.

Restoration of service which has been discontinued for non-payment of a bill may be had by payment of all outstanding charges to date plus a fifty-dollar (\$50.00) service charge at the offices of the City during normal business hours.
