City of Milpitas
We invite applications for the position of:
Assistant Water System Operator

Annual Salary Range: $67,729.22 - $82,325.36

Post Date: January 20, 2017
Close Date: February 10, 2017

Why Milpitas?
Located at the southern tip of the San Francisco Bay, the City of Milpitas is a dynamic community that is an integral part of the high tech Silicon Valley. With a much diversified resident population of 72,606, Milpitas features quality schools, conveniently located neighborhood parks and shopping centers. The role of every employee is to be committed to accomplishing the community’s vision by providing fiscally sound, superior services.

You will be joining a community of 328 professional employees as diverse as the city they support. We are privileged to have such a unique workforce and to foster an environment that encourages those differences. We believe in supporting our employees’ abilities and desires for professional growth, to better support retention and commitment throughout all career stages. Milpitas employees are proud and know that their contributions make a difference to the community as well as to their own career. We encourage you to check us out: http://www.ci.milpitas.ca.gov/

The Opportunity
Under direction of the Utility Maintenance Manager and/or the Water System Operator, this position will perform a variety of duties associated with the operation, maintenance, and repair of the City’s water system; perform related work as required. The Assistant Water System Operator’s work schedule may include weekend work, and, as necessary, emergency call-outs. This is a journey level position responsible for assisting the Water System Operator in the proper operation of the systems controlling the treatment, flow, pressure, and volume of water within the City’s water distribution system. The Assistant Water System Operator is required to have a complete working knowledge of water system operations and related facilities. The Assistant Water System Operator is distinguished from the Water System Operator in that the Water System Operator has the assigned responsibility for system wide operation and supervises the tasks of the Assistant Water System Operator.

What You Will Do
Duties may include, but are not limited to, the following:

- Perform preventive maintenance on all equipment, machinery, and control systems related to the City’s water system.
- Install and make minor repairs, modifications or additions to system facilities. Participate in major system repairs.
City of Milpitas
We invite applications for the position of:
Assistant Water System Operator

- Maintain and control water treatment facilities in the City’s water system.
- Perform a variety of tests to determine system process performance and compliance with water quality regulations.
- Collect various water samples for laboratory analysis and perform water quality analysis tests as assigned.
- Read and interpret gauges and recording devices.
- Perform and maintain records and report functions as a log of system operations, test results, maintenance work performed, and unusual operating conditions.
- Maintain the water system and operating equipment and facilities in a clean and orderly condition.
- Sanitize storage structures
- Operate, exercise, repair, or replace water valves.
- Install, repair, or replace fire hydrants, water meters, backflow devices, water main and service lines.
- Flush water distribution system.
- Respond to water quality complaints.

Requirements

Experience:
- Two years of increasingly responsible experience in the operation, maintenance, and repair of water system facilities.

Education:
- Equivalent to the completion of the twelfth grade.

License and Other Requirements:
- Possession of or ability to obtain and maintain a valid California Commercial Driver’s License with Class A endorsements as assigned.
- Possession of or ability to obtain within one (1) year of appointment Grade I Water Treatment Operator Certificate issued by the California Department of Health Services.
- Possession of a Grade D3 Water Distribution Certificate issued by the California Department of Health Services.

Special Requirements:
- Physical exam, and drug and alcohol screening.
- Visual Requirements: Discern colors
City of Milpitas
We invite applications for the position of:
Assistant Water System Operator

- Auditory Requirements: 100-decibel hearing

Work is mainly performed outdoors; Ability to stand, walk, sit, climb, balance, squat, kneel, crawl, bend, and stoop at any given time; able to lift, carry, push, and pull up to 75 pounds of weight throughout the day and occasionally up to 90 pounds; exposure to outdoor elements in all weather conditions throughout the year, confined spaces, hazardous waste, sewage, chemicals, herbicides and pesticides; walk on uneven surfaces; able to travel to various locations within and outside the City of Milpitas.

Selection Process

Applicants whose qualifications best meet our current needs will be invited to participate in the selection process that may consist of an assessment of the candidate’s written skills, computer skills, and an oral board interview. Meeting the minimum requirements listed in this job description does not guarantee advancement in subsequent phases of the selection process.

Submit application, supplemental questions (if applicable), resume, copies of required certificates (if applicable), on line at www.calopps.org or to the Human Resources Department, City of Milpitas, 455 E. Calaveras Blvd., Milpitas, CA 95035, (408) 586-3090.
