Physical: 3

DEFINITION

To perform supervisory and technical work in fire suppression, emergency rescue, fire inspection, fire investigation, and fire personnel training activities; to serve as company commander for a fire suppression engine, truck or rescue company. May also assist with general administrative duties with a primary focus on emergency medical services (EMS).

SUPERVISION RECEIVED AND EXERCISED

- Direction is provided by a Fire Battalion Chief.
- Exercises direct supervision over subordinate personnel in assigned company.

EXAMPLES OF DUTIES - Duties may include, but are not limited to, the following:

- Plan and execute work assignments of fire personnel in an assigned company.
- Respond to fire alarms as a company officer, and as such is responsible for the supervision, performance and safety of assigned fire-fighting personnel on the scene of an emergency incident.
- Direct fire fighting and rescue operations until relieved by a superior officer.
- Operate radio-telephone equipment.
- Supervise and assist in rendering first aid at an emergency incident.
- Direct the cleaning of quarters, equipment, and apparatus at a fire station.
- Perform a variety of general staff work as assigned.
- Assist in coordinating the maintenance and repairing of fire suppression equipment and facilities such as hydrants, trucks, and support equipment.
- Inspect personnel and maintain discipline.
- Obtain and otherwise preserve evidence at a fire scene.
- Instruct and drill fire department personnel in fire-fighting methods, techniques, and related subjects.
- Supervise and participate in the inspection of buildings and installations for fire hazards and fire safety systems as required by State laws and City ordinances.
- Identify the fire training needs of company personnel including such areas as the driving and operation of equipment and see that the necessary training is provided.

- Enforce all City and departmental rules and regulations and make recommendations to superior officers.
- Prepare all reports, forms, recommendations, and other required administrative procedures of the company.
- Schedule, assign and supervise equipment and facility maintenance, fire prevention, public relations, and training activities.
- Work with other management and supervisory staff to maintain, revise, and improve upon the operations of the platoon.
- Prepare performance evaluations for company personnel.
- Make recommendations in the budget preparation and administration process.
- Perform related duties as assigned.

When assigned to the EMS Division, the Fire Captain may be assigned to work a 40-hour workweek and will also perform the following duties:

- Revise record management system (RMS) to support training, emergency response systems, and coordination of agency certifications. The current RMS is Target Solutions.
- Develop specifications for ordering, and place in-service medical apparatus and equipment. Coordinate medical supply restocking.
- Supervise the effective operation, utilization, and maintenance of medical apparatus and equipment.
- Evaluate EMS data, identify methods to provide effective emergency medical care, to correct complex medical issues and patient care delivery situations, and design quality assurance programs to measure program outcome and effectiveness.
- Ensure Department compliance of County, State and Federal laws, regulations and protocols dealing with the delivery of pre-hospital emergency medical services.
- Administer specified training programs for new paramedics as it relates to County accreditation.
- Perform other related duties as required.
