

Volunteers in Police Service

Why volunteer? To make a difference!

In many jurisdictions around the country, an exciting effort is underway. Citizens who have the time to volunteer in the community have offered their services to law enforcement agencies. This enables sworn officers to spend more time patrolling the streets.

Come join us! Bring your heart and enthusiastic spirit. What you get back will be immeasurable!

"The Milpitas Police Department is committed to the protection of lives and property by working with our community and providing professional and responsive police services."

Steve Pangelinan, Chief of Police
