Preface

The Milpitas General Plan was significantly revised in 1994 in order to update and improve the clarity of the document. It has had only a few minor revisions since then. The January 2002 update incorporated the Midtown Specific Plan and included revisions to the General Plan land use map and text for consistency between these documents. The June 2008 update incorporates the Transit Area Plan, adding new land use designations and references to the area plan. The October 2010 update consist of text amendments to integrate the City’s Park and Recreation Master Plan and Milpitas Bikeway Master Plan as well as other updates to exhibits, tables, and figures, which includes land use designation changes to several creek channels and public right-of-ways.
