Item Title: Discuss clarifications related to the scope of the Rules Subcommittee and provide direction to staff on next steps

Category: Leadership and Support Services

Meeting Date: 1/31/2020

Staff Contact: Steve McHarris, 408-586-3059
Chris Diaz, 408-586-3041

Recommendation: Discuss the Rules Subcommittee Scope Document and provide direction and clarity to staff on existing language and/or propose clarifying language related to the Subcommittee’s role in adding items to the agenda

Background:
At the April 16, 2019 City Council meeting, Council approved the formation of a new Rules Subcommittee, comprised of Mayor Tran and then Vice Mayor Dominguez. The Rules Committee met on May 10 and May 30 and an interim check-in to solicit further Council direction occurred at the June 11 City Council meeting. Subsequently, on June 18, 2019, the Council reviewed and approved the draft scope and guidelines of the Subcommittee. Council set the Rules Subcommittee as a nine-month pilot program, at which time it would return to Council to decide if it should continue and be incorporated into the Milpitas Municipal Code. Staff notes that this action established the scope and guidelines of the Subcommittee as a policy document and not a legal one.

The Rules Subcommittee has been meeting since August 9, 2019 and staff has noted a few items that require clarification to enable the Rules Subcommittee to provide Council agenda direction, as originally intended. In addition, at the September 20, 2019 Rules Subcommittee, there was discussion regarding interpretation of the process for adding items to the Council agenda. Thus, the City Attorney and City Manager indicated that the scope of the Subcommittee would be brought before the full City Council for discussion and to provide clarity to staff on Council’s interpretation of existing policy language along with potential changes to the scope and guidelines of the Subcommittee.

This discussion was agendized for the October 1, 2019 City Council meeting, however, due to time constraints, the discussion was deferred and staff was directed to schedule a separate special Rules Subcommittee meeting with the entire Council.

Council Agenda Item Request
The current process for requests to add agenda items is as follows:

Any two Councilmembers working together are able to request items be added to a Council Agenda. Any request shall be submitted through an Agenda Item Request Form and shall include the following:

1. Names of the two Councilmembers submitting request;
2. Name of Item;
3. Date request is submitted;
4. Item description and why it is being requested for Council consideration;
5. Whether item is an urgent need and why;
6. Alignment with Council Priority Area(s); and
7. **Timeframe within which the item would need to be heard.**

If two Councilmembers request an item be added to the Council agenda, the item will be added to the next draft Council agenda and come to the Rules Subcommittee for informational purposes. The request needs to be submitted to the City Manager, City Clerk, and City Attorney by 5:00 pm, five days prior to the Rules Subcommittee meeting.

**Submittal of the Agenda Item Request Form shall involve minimal to no staff work, any substantive staff work on the requested item shall commence with the approval of the full Council. Individual Councilmembers can continue to request staff work on any item requiring less than 4 hours of work, however any item requiring more than 4 hours of work will need to go through the request process and will require collaboration by two members of the Council.**

**Analysis:**
At this time, staff is seeking Council feedback and direction on existing language and potential updated language to the scope of the Rules Subcommittee to further clarify the Subcommittee’s role in adding items to the agenda. To ensure effectiveness in delivering planned services and programs, and as a best practice when new substantial items are directed to staff, the Council should consider which current work items need to be re-prioritized in order to balance workload.

1. If requests are received by the established timeline, must they be added to the next regularly scheduled City Council meeting or may the Subcommittee place on a different meeting date if the agenda already has several substantive items scheduled? Is the Council willing to allow the Subcommittee to delay potential Council Agenda Item Requests?

2. If the Rules Subcommittee is unable to meet, should any Councilmember Agenda Item Requests still be placed on the next regularly scheduled Council meeting or should staff bring these requests forward to the next Rules Subcommittee meeting?

3. Should the number of Councilmember Agenda Item Requests be capped at a certain number on any one Council agenda?

4. Is a more detailed explanation in a Councilmember Agenda Item Request needed of how the request is directly tied to one of the established Council Priority Areas?

5. Does the Rules Subcommittee have discretion on determining if an item is urgent or does the Subcommittee need to place it on the next regularly scheduled City Council meeting? Again, is the Council willing to allow the Subcommittee to delay potential Council Agenda Item Requests?

6. May a majority of the Council add an item to a future agenda during a Council meeting (i.e.: under Announcements) or must an Agenda Item Request Form be submitted first?

Per the approved Subcommittee document:

The Rules Subcommittee shall meet every other week on Fridays, 10 days in advance of regular City Council meetings. If the Subcommittee is unable to meet, the draft City Council agenda will be considered approved by the Subcommittee and shall be posted 6 days in advance of the City Council meeting, in accordance with the City’s Open Government Ordinance.

The Rules Subcommittee does not review agendas for Special City Council meetings held in-lieu of regular meetings.

7. Would the Council like to change this for Special City Council meetings that are scheduled at least a month in advance?
Staff is suggesting that the scope document be amended to clarify that the Agenda Item Request Form will be submitted without any substantive staff analysis, including fiscal review, legal review and policy review. The City Attorney will perform a preliminary review to ensure that the item is appropriate for Council consideration and does not conflict with any existing federal and state laws and regulations.

Also, staff would like to clarify the two-step process: 1) at the meeting where the item is first considered, the requesters will be able to explain their request to the full Council; and 2) if a simple majority of the City Council supports further study of the item, then a full staff analysis will be prepared and brought back to Council at a future meeting, as directed by the City Council, in coordination with the Rules Subcommittee and City Manager.

**Recommendation:**
Discuss the Rules Subcommittee Scope Document and provide clarity and direction to staff on existing language and/or propose clarifying language related to the Subcommittee’s role in adding items to the agenda.

The request needs to be submitted to the City Manager, City Clerk, and City Attorney by 5:00 pm, five days prior to the Rules Subcommittee meeting.

Individual Councilmembers can continue to request staff work on any item requiring less than 4 hours of work, however any item requiring more than 4 hours of work will need to go through the request process and will require collaboration by two members of the Council.
Meeting Management – Consent Calendar
The Rules Subcommittee shall review items on Consent Calendar based on the criteria established for items to be on the Consent Calendar, the criteria includes the following:

1. Contracts for projects in approved Five Year CIP
2. Routine contracts for ongoing City operations
3. Reports to be submitted to other agencies
4. Grant requests and awards
5. Miscellaneous items that do not involve major policy or program decisions

The Rules Subcommittee recommends that any items pulled off consent calendar be heard last or at a subsequent Council meeting, depending upon the number of speakers and the anticipated length of the items that have been scheduled for discussion during that particular meeting.

A no vote, abstention, or formal recusal due to conflict of interest can be recorded without pulling an item off the consent calendar.

4. Review of Regular City Council meeting agendas

   • Assistant City Manager Kantak, Interim City Manager McHarris, and City Attorney Diaz reviewed all items listed on the draft agenda for the October 1, 2019 City Council agenda.

   Re: City Council Agenda Request Forms

   Interim City Manager McHarris and Assistant City Manager Kantak opened the discussion since Staff is seeking direction from City Council in its efforts to streamline the City Council Agenda Request Forms process, especially now that there were four requests from the previous City Council meeting (from Councilmembers Nuñez and Phan) as well as five additional ones (from Mayor Tran and Councilmember Montano).

   Mayor Tran and Vice Mayor Dominguez discussed and shared their respective opinions on the following:

   o Making the City Council meetings run more smoothly while reaping more productive and efficient results.

   o Prioritizing the growing list of “Unfinished Business” items that were awaiting to be heard by City Council.
Managing the growing list of City Council Agenda Request Forms and how should they be prioritized in relation to the “Unfinished Business” and other agendized items.

Ensuring that the needs of the citizens were met while balancing the City’s limited resources and Staff’s already-heavy workload and time.

Seeking ways for better “agenda management” while balancing priorities, ensuring smooth day-to-day City operations are maintained, and handling the City’s / Staff’s workload.

Revisiting the current Rules Subcommittee Scope document to seek guidance on how and when City Council Agenda Request Forms should be processed and agendized.

Assistant City Manager Kantak, along with City Attorney Diaz, reviewed what the current Rules Subcommittee Scope document states regarding the City Council Agenda Request Forms.

City Attorney Diaz advised that the current Rules Subcommittee Scope document briefly touched how City Council Agenda Request items should be placed on the agenda, but it was not “precise” as to when / which agenda should items be placed.

City Attorney Diaz stated that the Scope document is not a legal document nor is it codified or as an ordinance. He further advised that the discussion seeking clarification should be presented before City Council in order to achieve clear direction to staff.

Interim City Manager McHarris briefly explained the dynamic between the agendized items and how those items convert into the day-to-day workflow for City Staff once City Council approves them. Discussing the importance of “agenda management” so that the City could continue running its business efficiently. He expressed hopes that the Rules Subcommittee could be the avenue to ensure successful “agenda management,” and clear communications should continue.

It was agreed that further discussion is needed, with the discussion to be brought before the entire City Council during the October 1, 2019 regular City Council Meeting.

• Mayor and Vice Mayor approved the October 1, 2019 draft agenda.

• Assistant City Manager Kantak informed the Subcommittee regarding upcoming events:
  o Special Meeting / Study Session – Housing Subcommittee and City Council on September 24, 2019
  o Special Meeting / City Council Retreat on October 4, 2019
  o Special Meeting / Study Session on October 8, 2019
  o Regular City Council Meeting on October 15, 2019

Assistant City Manager Kantak, Interim City Manager McHarris, and City Attorney Diaz responded to inquiries and requests for clarification from Mayor Tran and Vice Mayor Dominguez.
5. Adjourn: Mayor Tran adjourned the meeting at 1:46 PM. The next Rules meeting would be scheduled on Friday, October 4, 2019 at 12:00 PM.

Minutes prepared by
Pam Caronongan, Deputy City Clerk
