1. **Phantom Art Gallery Review – Staff**

**Background:** The City of Milpitas, Recreation Services Division, created the Milpitas Phantom Art Gallery in an effort to provide visual art experiences for the Milpitas Community. Artists submit an official Milpitas Phantom Art Gallery Application, which is reviewed by the Milpitas Arts Commission. Each approved Artist will display his/her work for up to two (2) months.

For review are two artists; Anuradha Raja is presenting her framed oil and acrylic landscapes and Beverly Nash is presenting her oil and acrylic artwork.

The following questions will be discussed in determining the applicant’s eligibility:
1) Is there anything in particular that you liked or disliked about this artwork?
2) Is the artwork appropriate for public viewing?
3) Can the artist fulfill the obligations set out in the Artist Application?

Should the artist’s applications be approved, their Gallery Exhibits would be scheduled as follows: Anuradha Raja Mar 26 – May 11, 2007 and Beverly Nash June 25 – August 17, 2007.

3. **Review a Nomination for Recognition of Outstanding Artists – Chairperson Rabe**

**Background:** Enclosed in the Commission’s packet is a nomination form for Frank Torres to be considered for a Certificate of Achievement for Recognition of Outstanding Artists. Mr. Torres meets the eligibility of the program based on his contributions to the arts. The Commission should review the application and approve or deny the nomination for Recognition of Outstanding Artists.

**Recommendation:** Review and approve the Nomination Forms for Recognition of Outstanding Artists for Mr. Torres.

4. **Review City of Milpitas Streetlamp Banners - Staff**

**Background:** Currently, the City has 157 street light poles with banner hardware to accommodate banner installations located along Calaveras Boulevard from Park Victoria to 880 and on Main Street from Carlo Street to Curtis Avenue. Currently four banner themes are rotated throughout the year: Arbor Day, 4th of July, ARTitude and Holiday. Over the last several months, staff has met to discuss strengthening the current banner program to publicize and celebrate Milpitas’ recreational, residential and service amenities. As these discussions ensued, staff realized that by using additional street light poles owned by both the City and Caltrans, a stronger City gateway could be created without significant expense. As a result, a series of banner designs that focus not on a specific program or event, but rather on community values offered in Milpitas were created. This series captures these values with the themes:

- Live & Work
- Stay & Play
- Meet & Greet
- Stop & Shop

The banners will be used together, creating a vibrant color and message flow for vehicular travelers. The entryway banners are a part of the Economic Development Commission’s goal to improve the image of Milpitas and will demarcate entrances to the City with Meet & Greet and Stop & Shop themes. Live & Work, Stay & Play and Stop & Shop will be rotated into the current banner locations in the City for consistent display. This approach celebrates strong community values fulfilled through the City’s recreation, alternate transportation and recycling services departments.

**Recommendation:** Provide feedback on the banner designs.
