About Us

Rebuilding Together is the nation's leading nonprofit working to preserve affordable homeownership and revitalize communities. Our network of more than 200 affiliates provides free rehabilitation and critical repairs to the homes of low-income Americans.

What we do:

Rebuilding Together believes in a safe and healthy home for every person. This means that we believe disabled and aging homeowners should be able to remain in their homes for as long as possible. We believe that homeowners displaced by natural disaster will get back into safe housing with help from the community. We believe that our nation's veterans with disabilities deserve safe and accessible homes. Rebuilding Together believes we can preserve affordable homeownership and revitalize communities by providing free home modifications and repairs, making homes safer, more accessible, and more energy efficient.

Who we help:

As the economic pressure on low-income families grows, more and more families are placed in the position of choosing between vital necessities and essential home repairs and modifications.

MISSION STATEMENT

The Lowe's Charitable and Educational Foundation is dedicated to improving the communities we serve through support of public education and community improvement projects.

LOWE'S CHARITABLE AND EDUCATIONAL FOUNDATION

Founded in 1957, the Lowe's Charitable and Educational Foundation (LCEF) has a long and proud history of contributing to grassroots community projects. LCEF awards millions annually to diverse organizations across the United States.

Primary philanthropic focus areas are:

- Public Education, priority is given to K-12 public schools

GUIDELINES FOR SUBMISSION OF A COMMUNITY GRANT

The Foundation provides funding only to 501(c) (3) tax-exempt nonprofit organizations and public agencies in communities where Lowe's operates stores and distribution centers.

Lowe's Charitable and Educational Foundation requires that all applicants take an eligibility test. Organizations that pass will be considered, but not guaranteed a grant. LCEF receives far more requests than it can accommodate. Many times, requests that pass the eligibility test and fall within the stated guidelines are not approved.

- Grants generally range from \$5,000 to \$25,000. Larger amount requests will be considered, but are seldom awarded.
- The Foundation will reserve the right to consider an organization's grant application only once per calendar year.

The Foundation's charitable contributions are not used for:

- Individuals and families
- National health organizations and their local affiliates
- Religious organizations and church or denomination-sponsored programs or events
- Special events, such as conferences, dinners, sport competitions, festivals or art exhibits

- Memorial campaigns
- Multi-year requests

Thank you for your interest in Lowe's Charitable and Educational Foundation (LCEF).

Our philosophy for giving holds that the communities we serve should be the primary beneficiaries of our charitable contributions.

We recommend that your local Lowe's store be your first point of inquiry when seeking a modest gift card, door prize or donation of materials for a community project or event. LCEF grants typically range from \$5,000 to \$25,000. If you are requesting an educational scholarship, you need to access Lowe.com/scholarships.

You must first take the Eligibility Test to confirm that your needs match with LCEF guidelines. To do so [Click here for Eligibility Quiz](#).
