A. Heritage Tree Nominations

The CAC Work Plan schedules opportunities to nominate heritage trees in January, May and October. The major elements of the Heritage Tree Program are to:

- Recognize and designate individual trees or groves of trees to promote appreciation of the trees and their benefit to the community and to nurture and protect the trees as part of the city's heritage.
- Protect all heritage trees or groves through the Tree and Planting Ordinance.
- Make it unlawful for any person, other than City personnel in the performance of their duties, to remove a heritage planting without first applying for a permit from the Public Works Department.
- Provide a process for the City Council to designate individual trees or a grove of trees.

A heritage tree designation may be requested by any person and with the written consent of the property owner. A tree or grove of trees may be designated, as a Heritage Tree or a Heritage Tree Grove, with the finding that it is unique and of importance to the community due to any one of the following factors:

1. It is an outstanding specimen or grove of a desirable species.
2. It is one of the largest or oldest trees or grove of trees in Milpitas.
3. The tree, or grove of trees, possesses distinctive form, size, age, location and/or historical significance.

Heritage trees or groves that are removed without City approval must be replaced with one or more trees which, in the opinion of the Public Works Department, will provide comparable economic, aesthetic, or environmental value at the site or by reimbursing the City for the value of the tree or grove as determined by a certified arborist.

Recommendation: Determine if there are any new trees, or groves of trees, to recommend to the City Council for a heritage designation.

B. Election of Officers.

According to the bylaws, new officers for the positions of Chair and Vice-Chair are elected at the beginning of the year.

Recommendation: Nominate and vote for a new Chair and Vice Chair.

C. Subcommittee/Task Force Status Reports
