

Milpitas International Cities Club

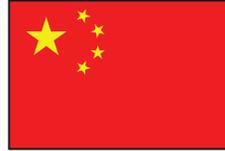

Be an “electronic pal” with students from around the world!

Are students in other countries like you? What makes them different... and interesting??? Find out with a link to another student – half a world away!

The City of Milpitas has four “sister city” relationships:

- Tsukuba, Japan
- Dagupan, Philippines
- Figline Valdarno, Italy
- Huizhou, China (e-pals not yet available)

Fill-out an easy questionnaire about YOU and get matched with an E-PAL from one of these cities that is interested in learning about your likes and life in Milpitas. Perhaps some day you will even get to meet each other!
