Subject: Commissioner's TV

Hey Lead Commissioners:

Just want to give you a nudge...and an update. Greater excitement is stirring with regards to the possibility of creating a television show that highlights Milpitas Commissions. Please encourage each other to get on board.

Here's the update:

Once I hear back from interested commissions that the members of your commission is on aboard with this idea, I will call for a discovery/brainstorm meeting (mid June) to capture your ideas of what such a television program might look like. At this meeting, many of your questions will be answered and those that cannot be answer that evening - will be researched.

I want to make I give every commission a chance to connect with their team to agendize this topic for discussion. Thanks for your patience during this time.

What can you do in the mean time? Great question....

- Send me your ideas via email....
 - What would you like to see your show cover?
 - Does your commission have interesting spots in Milpitas we might use as a location to shoot?
 - What issues, activities, events would you like more citizen involvement?
 - What are your ideas of making sure the show is watched?
 - How much time are you willing to devote to your segment?
 - Do you have people in your circle of influence that can help in the studio?
Let me know...

There may be other questions I should be asking....let's work together to produce a premier show in Milpitas...

Sincerely,

Debra A. Whitlock Lax
