9. Business Items

A. Commission Work Plan Review
Work Plan Discussion presented by Chair Gupta. Chair D. Gupta reviewed work plan that Commission has proposed.

- Odor Sensor – Assist PW Department. Chair Gupta stated that defining the area is difficult due to many factors. PW will be mapping out locations. Commission will assist. Commission will review phase one but would like to put together the whole project timeline. A question was asked about the budget for the project by Mr. Choudhury. Chair Gupta stated that funding will be coming from the City and BAAQMD for the project. Community Odor Monitor – tracking odor year-round to track weather variations. Bay Area Air Quality Management District (BAAQMD) will look at odor sources and recommend requirement for improvements. Commission will assist with community outreach.

- Traffic Congestion on Calaveras and Montague: Traffic Signals and other issues. Manage by Caltrans. Will work with City Traffic Engineer staff. Staff recommended to look at Jacklin instead of Calaveras and Montague since these are not managed by the City. City can suggest changes to Caltrans. Controllers on Calaveras and Montague could be outdated. Most of City’s controllers have been updated. Jacklin is not an issue except at the point where it meets Calaveras.

- Technology: Commission will continue to assist and review various technology projects. Commission will review vendors and act as advisory to the IT Department.

- Shuttle Service: Provide services to senior citizens, high school students, homemaker – Commission want to look at providing door to door service. Chair Gupta stated that the service is not free but at no cost to the City. City is not looking to use General Fund toward the project. Council directed staff to look at ways the shuttle service can be funded. Staff will come back to present to Council with options. Commission will look on how to support staff on project. Staff is to conduct community survey to learn of other options as directed by Council. Chair Gupta stated that VTA is expanding route to support new pattern.

- 5G: Community survey and feedback from community

Motion to receive the report.

M/S N. Gupta / W. Lam Ayes: 5

B. Presentation Review

Chair D. Gupta continued to discuss the 2020 commission work plan presentation and reviewed the list topics and requested input from the commission. PowerPoint presentation to Council. Staff commented that the commission is an advisory body to support and make recommendations to Council.

Rob Means commented and asked the commission to add PRT to the list of projects to recommend to Council. Chair D. Gupta stated that the
commission is not ready to recommend the PRT project to Council. But will mention it as other transportation idea for Council to consider.

Staff suggested a draft of work plan to be shared with Vice Mayor Nuñez.

Urvishkumar Mehta requested to present two project ideas.
- Free WiFi
