H. OLD BUSINESS

1. Neighborhood Services & Education Subcommittee update

Program Coordinator Tiumalu reported there were many residents from the KB Homes that attended the Neighborhood Services & Education Subcommittee not in favor of the Food Pantry or the Milpitas Teen Center at the Sal Cracolice Building. He stated the subcommittee had directed staff to conduct outreach to gain community input on the use of the Sal Cracolice building. Tiumalu stated he would provide another update at the September 9 meeting.

2. Milpitas' Got Talent

Chair Sandhu led the discussion and requested input on the Milpitas' Got Talent event. After much discussion, the commission created a list of "good things" and "things that need to be improved":

Good

- All commissioner's emceeding the event went smooth and was well received by the attendees.
- Sub-committees worked to help the event run smoother.
- Acts were of high quality.
- Hosting one audition date and internally having a make-up date worked great!

Things that need to be improved

- Pre-sell tickets at MHS to generate more attendance. Possibly pre-purchasing tickets and selling them at school.
- Market the actual event before it happens and not just the auditions.
- Community Center is a better site for auditions.
- New judges and sound system service for the event.
- Hold event in March so it won't conflict with other events/activities happening in Milpitas.

3. Teen Service Days

After much discussion, the commission decided to postpone the Teen Service Days until next year to allow more time for marketing and planning.

MOTION to postpone Teen Service Days.
