TO: Mayor & City Council  FROM: Chief Pangelinan, Acting City Manager
RE: WEEKLY ISSUES UPDATE  DATE: June 30, 2017

City Hall and Offices are closed on Tuesday, July 4th, in observance of the National Holiday

City Council is in summer session - no July Council Meetings

BUILDING AND OCCUPANCY PERMITS: Building permits were issued to:

1. DR Horton, for the construction of two, 3-story buildings with total of 18 units out of 241 townhome residential units' development and the installation of sales trailer for the development located at 1501 Centre Pointe Drive at an estimated construction cost of $6.69M.

2. Public Storage, for grading for a future self-storage building located at 1080 Pecten Court at an estimated construction cost of $588,773.

3. Jones Sign Co., for the installation of interior entry ID and way finding signs located at Great Mall at an estimated construction cost of $310,000.

Building permit applications were submitted by:

1. Hudson Pacific Properties Inc., for interior demolition, and tenant improvements of a 2-story vacant Cisco building in preparation for future tenant move-in located at 115 North McCarthy Boulevard at an estimated construction cost of $5.6M.

2. VTA BART, for the construction of community wall and grasscrete road at The Crossing apartments located at 755 East Capitol Avenue at an estimated construction cost of $400,000.

Occupancy permit applications were submitted by two new businesses moving to Milpitas:

a) Krazy Wireless, a cell phone retail store located at 37 South Park Victoria Drive.

b) Lisa Wang Acupuncture Clinic, an acupuncture clinic moving from Sunnyvale to 306 South Abel Street.

The following businesses have received final inspection and are now open for operation:

a. Dick's Sporting Goods, a new sports clothing & equipment retail store in the Great Mall.

b. Curry Pizza House, a new pizza place located at 1806 Milmont Drive.

c. Enterprise Rent-A-Car, a rental car business located at 172 South Milpitas Boulevard.

d. Cardinal Health/Cordis, an existing medical research and healthcare facility located at 1820 McCarthy Boulevard.

e. CLO Fashions Inc., a clothing store in the Great Mall.

f. Juicing Flavor Restaurant, a Chinese restaurant replacing existing establishment at 79 South Abbott Avenue.

g. Winmax Systems Corporation, an IT staffing office relocating at 1900 McCarthy Boulevard.

CONSTRUCTIONS UPDATE:

Dick's Sporting Goods located at Great Mall: Dick's sporting Goods, a new sports clothing & equipment retail store, obtained their final approvals and is now open for business. See photos below.
Waterstone, 84 single family homes development by Lennar developer located at 1494 California Circle: Two more homes have received final inspection, and are ready for the new owners to move in. 40 homes are now complete, 3 are models and 41 are in various stages of completion. See photos on both sides.

HUMAN RESOURCES DEPARTMENT UPDATES: This quarter’s New Employee Meet and Greet Breakfast will be held on Thursday, June 22nd, from 9:00 to 10:15am at the Senior Center Auditorium. Join us to welcome our newest employees!

CURRENT EMPLOYMENT OPPORTUNITIES: Human Resources is accepting applications this week for the following employment opportunities. Interested candidates can find positions at [www.ci.milpitas.ca.gov/jobs](http://www.ci.milpitas.ca.gov/jobs) and [www.calopps.org](http://www.calopps.org) in addition to the City of Milpitas LinkedIn page and @MilpitasCityJob Twitter account.

Open Competitive Opportunities:
- Associate Planner – open until filled
- Building Inspector – continuous
- Chief Fire Enforcement Officer – open until filled
- Junior/Assistant Engineer
- Office Assistant I/II – closes 6/22/2017

Transfer Opportunities (only open to current City employees):
- ✓ Fire Captain
- ✓ *Maintenance Worker I/II (Trees & Landscape)
- ✓ *Maintenance Worker III (Trees & Landscape)
- ✓ Maintenance Worker III (Utilities)
- ✓ Senior Administrative Analyst
- ✓ *Senior Public Works Lead (Trees and Landscape)
- ✓ * closes 06/22/2017

Temporary Opportunities:
- Adult Crossing Guard
- Fitness Instructor
- Head Swim Coach
- Lifeguard
- Public Works Inspector
- Recreation Leader: After the Bell Program
- Recreation Leader: Building Attendant
- Recreation Leader: Referee
- Recreation Leader: Clerical

Internship Opportunity:
- Economic Development Intern

POLICE DEPARTMENT UPDATES:

On **Monday, June 26, 2017 at 6:00pm**, Chief Pangelinan attended Milpitas Rotary Club Event at the Sonesta Silicon Valley Hotel honoring outgoing President Hon Lien, and welcoming President-Elect Councilmember Bob Nuñez.

On **Wednesday, June 28, 2017 at 2:00pm**, Chief Pangelinan will recognize Officer Christopher Salazar who will retire effective July 1, 2017, after serving 28 years with the Milpitas Police Department. Officer Salazar held numerous assignments during his long and successful career including: detective with the Allied Agencies Narcotics Enforcement Team (AANET), detective in the Crime Suppression Unit (CSU), detective with the Sexual Assault Felony Enforcement (SAFE) task force, SWAT team member, Traffic Investigator, Drug Abuse Resistance Education (DARE) officer, Robbery detective and Mobile Field Force member. We wish him and his family many happy years in retirement.

On **Thursday, June 29, 2017 at noon**, an officer attended the Santa Clara County Office of Education's Opportunity Youth Academy Open House event located at 512 Valley Way in Milpitas. Opportunity Youth Academy is a FREE high school diploma program targeting dropouts ages 16-24 in resuming their education.

**UPCOMING MILPITAS EVENTS:** Bring your family and friends to these free Summer Concert Series and Movie Night Out on select Tuesdays and Thursdays in June, July and August!

Engineering Weekly Report
June 30, 2017

BART Construction (at approximately 90% complete) will create intermittent traffic impacts in the following areas:

- **Montague Expressway**: Montague Expressway now has a street-level bridge that will pass over future BART that is in a trench below. To minimize impacts to the travelling public during peak commute hours in the AM and PM, all lanes will be open. The contractor for the County's Montague Widening project, OC Jones, has completed their second stage of construction and they partially reopened South Milpitas Boulevard on February 5, 2017, for “right-in, right-out” only. For this 3rd phase of construction, there will be no left turns from or onto Montague Expressway. This Wednesday and Thursday night (6/28 & 6/29), OC Jones' subcontractor will be performing night work to install a new water main across Montague at South Milpitas Boulevard. One lane in each direction will be open at all times.

- **Capitol Avenue**: SSH recently completed their final reconstruction of northbound Capitol Avenue with three through lanes starting just north of the BART trench. They have now begun the installation of the decorative TASP crosswalk to the Light Rail Station at the new South Milpitas Boulevard extension. Since the other VTA contractor (C671) left their lane closure in place, SSH plans additional single northbound lane closures and will shift those closures as needed to complete the new crosswalk installation across Capitol Avenue. Additionally, VTA announced another 2-month temporary closure of the Montague Light Rail Station which started May 22, 2017. SSH is making final modifications to accommodate the new elevator from the BART pedestrian overcrossing. During this closure, a shuttle is being provided between VTA's Montague Light Rail Station and VTA's Great Mall Transit Center. The shuttle schedules are listed below, and the location of the shuttle stops and route are on the map below:

  Weekdays from 6:00 AM to 11:30 PM  
  Weekends from 7:00 AM to 11:30 PM  
  every 15 minutes before 8:30 PM and every 30 Minutes after 8:30 PM

- **Dixon Landing Road**: SSH completed the majority of their roadway improvements during the previous single lane closures and placed the permanent striping. A temporary left-turn lane, from southbound Milmont Drive, was installed through the median in order to provide an alternate access to the "7-11" shopping center. This was recently removed and the median was restored, since the alternate "7-11" driveway on Dixon reopened in mid-March 2016.

- **Piper Drive**: One lane in each direction was re-opened to the public since May 2, 2014. Single-lane closures may periodically be required to allow final improvements to the roadway and the at-grade UPRR crossing.
• Entire BART alignment through City of Milpitas: Now that the tracks are fully energized, train testing could begin as soon as July! Some of this testing will need to occur during the night and early morning hours. *VTA will notify the City at least a week prior to.*

**Design & Construction**

**Projects Impacting the Public:**

- **Alviso Adobe Phase V – Interior Restoration (CIP 5055):** This project provides for the restoration of the first floor of the Alviso Adobe. A design contract was approved by the City Council on August 16, 2016. The concept design was approved by PRCRC on February 6, 2017, and was approved by the City Council on May 16, 2017. Consultant has begun preliminary design.

- **Marylinn Drive Sanitary Sewer Replacement (CIPs 6115 & 6116):** This project provides for the replacement of a 27” & 30” diameter sanitary sewer pipeline along Marylinn Drive and under I-880. The consultant is proceeding with a CIP design to line the existing pipes as a cost savings measure. 50% design plans were submitted and reviewed. 100% plans have been received and are ready for bid advertisement. The City is working with the SCVWD for issuance of an encroachment permit.

- **Milpitas Sports Center Pool Repairs (CIP 3408):** The project repaired and resurfaced three sports center pools. Construction was completed on time and within budget on May 5, 2016. Council approved initial acceptance of the project on September 20, 2016, and the project is in the one-year warranty period.

- **Light Rail Median Landscaping (CIP 2001):** This project provides for landscape improvements within the medians along Great Mall Parkway, from I-880 to the southern City limits. The new landscape will be irrigated with recycled water. The project was advertised in October, 2016 and two bids were received. The construction contract was approved by City Council on December 3, 2016. The Notice to Proceed to the contractor was issued on February 14, 2017. The contractor is currently installing concrete improvements, irrigation, and drainage systems for islands B, C, D, E and F.

- **Dempsey Road Water line Replacement (Projects 3709, 7100 & 7118):** This project provides for the replacement of portions of the water main and storm drainage line along Dempsey Road, between Yosemite Drive and Calaveras Boulevard, and depending of funding will install a recycled waterline along the alignment. The design of the storm, water and recycled lines is underway. The designer has submitted the 98% plans for review by City staff.

- **237/McCarty Boulevard Median Landscaping (CIP 4274):** This project provides for median landscaping and irrigation, for the medians at the 237/McCarty Boulevard Interchange. A Funding Agreement, between VTA and the City, was executed in 2012 to provide funding for this project and to allow VTA to administer the construction. Staff is working with VTA, who will be administering the construction contract. Construction is expected to start by early July 2017.

- **Milpitas Midtown East Parking Garage (CIP 3407):** The project provides for the electric motor operation of fire doors within the garage and library. The contractor has completed the installation of the new electrical panel and most of the related conduits. The contractor has installed 4 of the new 6 door operators. The door operator for the Library door, key switches, sensing edge, and backup battery has been installed. Construction is complete and the project was accepted on March 7, 2017 and is in the one-year warranty period.

- **Higuera Adobe Park Renovation (CIP 5097):** This project provides for the renovation of the picnic area and replacement park play equipment. Parking lot surface improvements and ADA access improvements are also included. Start of construction was March 1, 2017, and the contractor is installing irrigation, preparing the soil for planting and installing new pavers in the new picnic area. The anticipated completion date is August 2017.

- **Bridge Improvement Project (CIP 4271):** This project provides for the repair and resurfacing of City-owned bridges, as identified by Caltrans, as deficient and in need of maintenance. Construction is complete, the project was accepted on February 7, 2017, and is in the one-year warranty period.
• **Berryessa Creek Improvement Project (Army Corp of Engineers/SCVWD):** The Santa Clara Valley Water District (SCVWD) and the Army Corp of Engineers are completing the design for a project to improve Berryessa Creek, from south of Montague Expressway to State Route 237. The contractor is currently working along the south side of Calaveras Boulevard and near Los Coches Street. The project is anticipated to be completed in 2018.

• **Sports Center Sports Fields (CIP 5104):** This project provided for the installation of a synthetic turf football/soccer field and a smaller multi-purpose field, including lighting and related furniture and equipment. Construction was completed, the project was accepted on February 7, 2017, and is in the one-year warranty period.

• **Wrigley-Ford Creek Erosion Repair (CIP 3700 & 3706):** This project provided repair of erosion damage to the Wrigley-Ford creek riparian mitigation area. Construction is complete. Project was accepted by the City Council on November 15, 2016, and is in the one-year warranty period.

• **Cathodic Protection Improvement – Main Sewer Pump Station (CIP 7115):** This project provides for the installation of corrosion protection for the sewer force main system within the Main Sewer Pump Station, at North McCarthy Boulevard. The project will also evaluate the City-owned sewer force main system between the Main Sewer Pump Station, at North McCarthy Boulevard, and the San Jose Wastewater Treatment Plant, at Zanker Road. The evaluation is an update to the City’s 2012 Annual Survey and Cathodic Protection Condition Assessment. Bid package for advertisement for work within the Main Sewer Pump Station is underway.

• **McCandless Park (CIP 5102):** This project provides for a new public park, adjacent to the new Milpitas Unified School District Elementary School, located on the east side of McCandless Drive, south of Montague Expressway, in the Transit Area. The park will provide approximately 4 acres of City public park space which will include play fields, athletic courts, parking, picnic area, play structure, and restrooms. City and school staff continue to coordinate project related issues, including construction of a pedestrian bridge over East Penitencia Creek and a groundwater well on the new park. The City Council approved contract agreement with the park designer on February 21, 2017. Design phase started in mid-March 2017.

• **New Midtown Street Light Project (CIP 3430):** This project provides for the phased installation of Midtown standard decorative street lighting along South Main Street, from Carlo Street to Great Mall Parkway. The first segment of lighting design and installation will be from Carlo Street to just north of Corning Avenue. The engineering design phase commenced in January, 2017 for Segment 1 (from Carlo Street to Corning Avenue) and is anticipated to be completed in 2018.

• **Utility Underground 2017 Project (CIP 3425):** This project provides preliminary engineering, support services, and coordination to the Pacific Gas & Electric Company (PG&E) for the creation of a new Rule 20A Utility Underground District (UUD) on Corning Avenue, from South Main Street to North Abel Street and South Main Street from Corning Avenue to East Curtis Avenue. The new underground district will utilize PG&E’s Rule 20A funds for construction of the utility undergrounding of existing overhead pole mounted electric, cable, and AT&T lines along South Main St. and Corning Avenue. The City Council approved the Resolution creating the UUD on January 3, 2017. Staff has submitted documentation to PG&E to enter the Rule 20A program. PG&E will start the design process by late 2017.

• **Daniel Court Water Main & Service Replacement (CIP 7110 & 7131):** This project will provide for the construction of waterline and service laterals and replacement of water meters and fire hydrants on both sides of Daniel Court, east and west of North Park Victoria Drive. The project was advertised in May and one bid was received. The construction contract was brought to the City Council for approval on June 20, 2017.

• **Trash Removal Devices (CIP 3713):** This project provides for the fabrication, installation and maintenance of trash removal devices within the City’s storm drain system. As required to meet the State Regional Water Quality Control permit requirements for 70% trash reduction within the City’s storm drain system by June, 2017. Construction began on May 31, 2017. Device installations were completed on June 21, 2017.
- **TASP Underground Utility District (CIP 4281):** This project provides for the creation of a new utility underground district to underground existing overhead PG&E, Cable TV and AT&T lines within TASP redevelopment area, along South Milpitas Blvd. and Montague Expressway. The new district would be administered by the City and the design and construction to be completed by PG&E, using the City’s and County’s Rule 20A funds. VTA is installing the new undergrounding substructure for AT&T and PG&E (at risk) as part of the BART project, at their cost. The City Council approved the Resolution creating the UUD on January 3, 2017. Staff is working with PG&E to implement the requirements for the district.

- **Well Upgrade (CIP 7076):** This project will provide for a new well within the City’s New McCandless Park, which is currently under design and is located east of McCandless Drive, south of Montague Expressway, in the Transit Area. The design and installation of the well will be executed in phases. Phase 1 design services will provide for the evaluation of the hydrogeologic characteristics of the McCandless site, including installation of a test bore hole. The designer will acquire a contractor to drill a test hole to verify aquifer volume and water quality in August-September 2017.

**Land Development (Private):**

<th>UNDER CONSTRUCTION (ONSITE &amp; OFFSITE) ACTIVE PROJECTS</th>
</tr>
</thead>
<tbody>
<tr>
<td>DESCRIPTION</td>
</tr>
<tr>
<td><strong>District 2, Taylor Morrison, McCandless Drive (PJ2825):</strong> This is a medium density residential project off the northerly portion of McCandless Drive. McCandless Drive is now open for through access to the public. Staff is preparing the project for Council initial acceptance.</td>
</tr>
<tr>
<td><strong>Metro, Pulte Home, 1401 South Milpitas Boulevard (PJ 1211):</strong> This project will construct 318 residential units in total, at the intersection of the future Garden Street and South Milpitas Boulevard. Activities are:</td>
</tr>
<tr>
<td>- Lot 1 is under construction.</td>
</tr>
<tr>
<td>- Public improvements for South Milpitas Boulevard and Garden Street are near completion.</td>
</tr>
<tr>
<td>- Lots 2-4 is under construction.</td>
</tr>
<tr>
<td>- The landscaping plans have a retaining wall whose footing is encroaching into a sidewalk easement and there are several landscaping walls within the public service easements, staff is working on an encroachment agreement for these facilities.</td>
</tr>
<tr>
<td><strong>Orchid, DR Horton, 31 South Milpitas Boulevard (PJ2812):</strong> This project will construct 80 single-family detached units with related infrastructure (water, sewer, storm drain and other utilities and improvements along Los Coches Street and Milpitas Boulevard).</td>
</tr>
<tr>
<td><strong>Citation 1 (north portion of Piper Drive) (PJ2527):</strong> This project will construct 94 townhouse units and two apartment buildings, totaling 638 units. On-site construction is complete. Off-site improvements are under construction. The Multi Party C3 agreement is being routed to City Staff for signature.</td>
</tr>
<tr>
<td><strong>Traverse, K. Hovnanian, 569 Trade Zone Boulevard (PJ2874):</strong> This project will construct 207 residential townhome units on 12.5 acres of land with new public roadway system and a public park. They are looking to release the final unit and are currently in the process of reviewing the conditions of approval and addressing punchlist items from public works inspector. We are currently being held up by South Bay Water Recycling as they will not issue any recycled water meter permits until they have received and reviewed all off-site improvement plans showing major distribution lines. Principal Civil Engineer Siddiqui in Utilities is taking the lead.</td>
</tr>
</tbody>
</table>
**Waterstone, Lennar Homes, 1494 California Circle (PJ2830, PJ1160):** This project will construct 84 single-family residential units on an existing industrial site.

**District 1, Lots 2, 3A and 4, Lyons, 1320 McCandless Drive, 1425 McCandless Drive, and 1310 McCandless Drive/1463 Centre Pointe Drive:** This project will construct 3 high-density residential and mixed use projects. There is no activity on 3A and 4. Lot 2 has been submitted for site improvement permit and comments provided to applicant. On site irrigation plans have been reviewed and comments were provided.

**Piper, KB Homes, 1256 Piper Drive (PJ1122):** This project will construct 98-townhome-style condominiums and 1-condominium tower with 210 units and the corner of Piper Drive and Garden Street. Revised on-site irrigation plans and off-site irrigation plans have been signed by the Assistant City Engineer. We are currently being held up by South Bay Water Recycling as they will not issue any authorization letters for use until they have received and reviewed all off-site improvement plans showing major distribution lines. The Utility staff is handling this process. Staff is working with the developer and PG&E to resolve the issue of Condition of Approval (COA) #58. The applicant has submitted on-site and off-site joint trench and street light plans for 1st review.

---

### UNDER CONSTRUCTION (ONSITE ONLY)

**Murphy Ranch Townhomes, Lyons, and Coyote Creek (PJ2740):** This project will construct 285 townhomes (approved as part of the Fairfield Project). Fine grading, underground work and site improvement construction are mostly completed. The developer will coordinate traffic control with the adjacent Fairfield project. Off-site improvements have been completed and accepted by the City Council with Cerano Aps. Final Occupancy punchlist (RW closeout) is in progress.

**District 1, Lyons (north portion of McCandless Drive) (PJ1134):** This project is a mix-use commercial and high density residential development located at the northerly portion of McCandless Drive. Addendum #4 to the SI permit were submitted for their 3rd review and comments were provided, at issue is the revised project frontage is not in conformance with the approved Tentative Map.

**Palazzo, KB Homes, 1200 Piper Drive (PJ1051):** This project will construct 94 townhome-style condominiums at the northeast corner of Piper Drive and Garden Street. The project is nearly complete.

---

**Possible traffic delays along California Circle and I-880 ramp**

**Possible traffic delays on McCandless Drive and Great Mall Parkway**

**Traffic delays on Piper Drive and Garden Street**

**No traffic delays**

**Traffic delays on Great Mall Parkway**

**No traffic delays**
