TO: Mayor & City Council
FROM: Chief Pangelinan, Acting City Manager
RE: WEEKLY ISSUES UPDATE
DATE: September 8, 2017

BUILDING AND OCCUPANCY PERMITS: Building permits were issued to:
1. The Core Group, for site improvements at the vacant building in preparation for future tenant move-in located at 501 Sycamore Drive at an estimated construction cost of $553,652.
2. Bigham-Taylor Roofing, Inc., for re-roof at the existing commercial building located at 1065 Montague Expressway at an estimated construction cost of $329,248.

Occupancy permit applications were submitted by four new businesses moving to Milpitas:
   a) Telangana Ruchulu, an Indian restaurant located at 131 Ranch Drive.
   b) Acuhouse, an acupuncture business located at 1717 North Milpitas Boulevard.
   c) E’s Garden Naturals, a small manufacturing business making soaps & bath products located at 615 South Main Street.
   d) Blue Sky Cuisine, a Vietnamese restaurant located at 1828 North Milpitas Boulevard.

The following businesses have received final inspection and are now open for operation:
1. ACT Optometry, dba Focus Optometry at 1766 North Milpitas Boulevard.
2. Zoom Imaging Solutions Inc., a copy equipment retailer at 390 Railroad Court.
3. Tantiva4, a software developer moving from Sunnyvale to 830 Hillview Court.
4. Employee wellness center for Western Digital at 1001 SanDisk Drive.

CONSTRUCTIONS UPDATE:

**Towns at Metro, a 257 townhomes development by Pulte Homes, located at 1401 South Milpitas Boulevard:** Currently there are 14 buildings out of 36 in various phases of construction. The photo on the right shows the first building nearing completion.

**Waterstone, 84 single family homes development by Lennar developer, located at 1494 California Circle:** Five more homes have received final inspection and are ready for the new owners to move in. 51 homes are now complete, 3 are models and 30 are in various stages of completion. See photos below.
**POLICE DEPARTMENT UPDATE:** The Santa Clara County Sheriff's Office and the Santa Clara County Department of Mental Health will be offering Crisis Intervention Training at the Milpitas Community Center from September 11-14, 2017 from 7:00 am to 6:00 pm. The purpose of the training is to provide peace officers and dispatchers with the skills and knowledge to recognize individuals with mental illness, identify potential disorders, and minimize escalations in contacts with the mentally-ill. Eight (8) officers from the Milpitas Police Department will attend the training.

On **Tuesday, September 12, 2017**, at 2:00 pm, the Milpitas Police Department will have a Badge Pinning Ceremony, at the Police Department Community Room, for new Police Officer Daniel Cancilla, Badge #317.

**HUMAN RESOURCES DEPARTMENT NEWS:** Learn more about the individuals running for the CalPERS Board Member-at-Large during the Candidate Forum on Thursday, September 7, 2017 from 11:30 a.m. to 1:30 p.m. You may attend the forum in person or watch a live webcast. You can also watch the forum later as it will be available online. Election ballot packages were mailed to member’s homes, and the voting deadline is October 2, 2017. Instructions on how to vote are included in the ballot package.

**CURRENT EMPLOYMENT OPPORTUNITIES:** Human Resources is accepting applications this week for the following employment opportunities. Interested candidates can find positions at [www.ci.milpitas.ca.gov/jobs](http://www.ci.milpitas.ca.gov/jobs) and [www.calopps.org](http://www.calopps.org) in addition to the City of Milpitas LinkedIn page and @MilpitasCityJob Twitter account.

**Open Competitive Opportunities:**
- Associate Engineer (Land Development)
- Communications Dispatch Supervisor
- Communications Dispatcher
- Engineering Director/City Engineer
- Fire Prevention Inspector
- Junior Planner
- Permit Center Manager
- Police Officer (entry-level and lateral)

**Internal Recruitment (Open to Current City Staff Only)**
- Fire Engineer

**Open Recruitment (Temporary Position with Benefits):**
- Building Inspector – continuous
- Recreation Leader: Clerical
- Recreation Leader: Referee

Oktoberfest! Join the City of Milpitas in their Celebration of Oktoberfest. Attendees will celebrate this fun celebration with German food and culture while having the opportunity to enjoy numerous local microbrews. This event will have lots of family fun, food and live entertainment throughout the day.

UPCOMING MILPITAS PARTICIPATIONS:

- Milpitas OES will be a part of Urban Shield as a part of the SAFE/CERT Annual Drill Saturday, September 9th, Alameda County Fairgrounds, 7:00am to 5:00pm
- Countywide Drill, Milpitas City staff on EOC OPS is participating in this drill on Sept 14th
- Milpitas OES will be at FireEye Health Fair Tuesday, September 19th, at 800 Tasman Boulevard, 10:00am to 2:00pm
- Milpitas HR Department is hosting the Annual City of Milpitas Health Fair with several booths Thursday, September 21st, Milpitas Community Center Auditorium, 12:00pm to 2:00pm
BART Construction (at over 95% complete) will create intermittent traffic impacts in the following areas:

- **Montague Expressway**: Montague Expressway now has a street-level bridge that will pass over future BART that is in a trench below. To minimize impacts to the travelling public during peak commute hours in the AM and PM, all lanes will be open. The contractor for the County’s Montague Widening project, OC Jones, has completed their second stage of construction and they partially reopened South Milpitas Boulevard on February 5, 2017, for “right-in, right-out” only. For this 3rd phase of construction, there will be no left turns from or onto Montague Expressway.

- **Abel Street**: VTA’s C741 contractor (Wabo Landscape & Construction) completed installation of a new fence on the south side of the Abel Street Bridge above BART last week. No further impact is anticipated at this time.

- **Capitol Avenue**: SSH recently completed their final reconstruction of northbound Capitol Avenue with three through lanes starting just north of the BART trench. VTA recently announced that the 2-month temporary closure of the Montague Light Rail Station is completed and the Station has been reopened to full operations.

- **Dixon Landing Road**: SSH completed the majority of their roadway improvements during the previous single lane closures and placed the permanent striping. A temporary left-turn lane, from southbound Milmont Drive, was installed through the median in order to provide an alternate access to the “7-11” shopping center. This was recently removed and the median was restored, since the alternate “7-11” driveway on Dixon reopened in mid-March 2016.

- **Piper Drive**: One lane in each direction was re-opened to the public since May 2, 2014. SSH completed their final paving recently, and will soon be applying the final roadway striping.

- **Entire BART alignment through City of Milpitas**: VTA recently announced that the project is no longer ahead of schedule. While it does remain under-budget, the new completion date is now on-schedule for passenger service by June of 2018. Now that the tracks are fully energized, train testing will begin soon.

Design & Construction Engineering Section

**Projects Impacting the Public:**

- **Alviso Adobe Phase V – Interior Restoration (CIP 5055)**: This project provides for the restoration of the first floor of the Alviso Adobe. A design contract was approved by the City Council on August 16, 2016. The concept design was approved by PRCRC on February 6, 2017, and was approved by the City Council on May 16, 2017. Consultant is preparing the 65% design submittal.

- **Marylinn Drive Sanitary Sewer Replacement (CIPs 6115 & 6116)**: This project provides for the replacement of a 27” & 30” diameter sanitary sewer pipeline along Marylinn Drive and under I-880. The project was advertised and bid opening was on July 19, 2017. No bids were received. Due to the pending October 15 deadline for work adjacent to Penitencia Creek as mandated by State Fish & Wildlife permit, the project is on hold until December 2017. The project will be re-advertised in December 2017 and Bid opening will be in February 2018. Project construction is anticipated to start March or April of 2018.
• **Milpitas Sports Center Pool Repairs (CIP 3408):** The project repaired and resurfaced three sports center pools. Construction was completed on time and within budget on May 5, 2016. Council approved initial acceptance of the project on September 20, 2016, and the project is in the one-year warranty period.

• **Light Rail Median Landscaping (CIP 2001):** This project provides for landscape improvements within the medians along Great Mall Parkway, from I-880 to the southern City limits. The new landscape will be irrigated with recycled water. The project completion date is anticipated in October 2017.

• **Dempsey Road Water line Replacement (Projects 3709, 7100 & 7118):** This project provides for the replacement of portions of the water main, storm drainage, and installation of recycled water mains along Dempsey Road, between Yosemite Drive and Calaveras Boulevard. The final design is underway.

• **237/McCarthy Boulevard Median Landscaping (CIP 4274):** This project provides for median landscaping and irrigation, for the medians at the 237/McCarthy Boulevard Interchange. A Funding Agreement, between VTA and the City, was executed in 2012 to provide funding for this project and to allow VTA to administer the construction. Construction is underway. The work is anticipated to be complete late 2017.

• **Milpitas Midtown East Parking Garage (CIP 3407):** The project provides for the electric motor operation of fire doors within the garage and library. Construction is complete and the project was accepted on March 7, 2017, and is in the one-year warranty period.

• **Berryessa Creek Improvement Project (Army Corp of Engineers/SCVWD):** The Santa Clara Valley Water District (SCVWD) and the Army Corp of Engineers are completing flood control improvements for upper Berryessa Creek, from I-680 north to State Route 237 (Calaveras Boulevard). The project is under construction and includes the relocation of various City utilities within District right-of-way. The project will also upgrade City storm drain outfalls to Berryessa Creek and extend the City’s walking trail/path network from Calaveras Boulevard south to Yosemite Drive. The Contractor and UPRR will be working on the rail crossing at South Milpitas Boulevard north of Montague Expressway. The crossing work will require the closure of South Milpitas Boulevard for up to 7 days, and construction work will continue around the clock. Notification of the proposed road closure will be distributed. **The estimated date for the road closure is October 2, 2017.** The project is anticipated to be completed in 2018.

• **Sports Center Sports Fields (CIP 5104):** This project provided for the installation of a synthetic turf football/soccer field and a smaller multi-purpose field, including lighting and related furniture and equipment. Construction is complete and the project was accepted on February 7, 2017. Currently the project is in the one-year warranty period.

• **Higuera Adobe Park Renovation (CIP 5097):** This project provides for the renovation of the picnic areas, installs new walking pathways, benches, tables, and sidewalks, installs new landscaping, trees, and irrigation systems, and replaces play equipment. Parking lot surface improvements are also included. Park construction is now complete, and the park re-opened to the public on September 1, 2017.

• **Bridge Improvement Project (CIP 4271):** This project provides for the repair and resurfacing of City-owned bridges, as identified by Caltrans as deficient and in need of maintenance. Construction is complete, the project was accepted on February 7, 2017, and is in the one-year warranty period.

• **Wrigley-Ford Creek Erosion Repair (CIP 3700 & 3706):** This project provided repair of erosion damage to the Wrigley-Ford creek riparian mitigation area. Construction is complete. Project was accepted by the City Council on November 15, 2016, and is in the one-year warranty period.

• **McCandless School:** Staff have reviewed and approved the offsite improvements for MUSD's new elementary school on McCandless Drive. The offsite improvements include new utility laterals serving the school, sidewalks, street trees, bio-retention storm systems, and the widening of a portion of McCandless Drive. School construction is anticipated to be completed in 2018.
- **Cathodic Protection Improvement – Main Sewer Pump Station (CIP 7115):** This project provides for the installation of corrosion protection for the sewer force main system within the Main Sewer Pump Station, at North McCarthy Boulevard. The project will also evaluate the City-owned sewer force main system between the Main Sewer Pump Station, at North McCarthy Boulevard, and the San Jose Wastewater Treatment Plant, at Zanker Road. The evaluation is an update to the City’s 2012 Annual Survey and Cathodic Protection Condition Assessment. Due to mechanical repairs needed at the Main Sewer Pump station, the project will be re-bid in spring 2018 after repairs to the required equipment is complete.

- **McCandless Park (CIP 5102):** This project provides for a new public park, adjacent to the new Milpitas Unified School District Elementary School, located on the east side of McCandless Drive, south of Montague Expressway, in the Transit Area. The park will provide approximately 4 acres of City public park space which will include play fields, athletic courts, parking, picnic area, play structure, and restrooms. City and school staff continue to coordinate project related issues, including construction of a pedestrian bridge over East Penitencia Creek and a groundwater well on the new park. The City Council approved contract agreement with the park designer on February 21, 2017. Design phase started in mid-March 2017. "Potholing of 34" PG&E gas transmission line was completed on August 29, 2017.

- **New Midtown Street Light Project (CIP 3430):** This project provides for the phased installation of Midtown standard decorative street lighting along South Main Street, from Carlo Street to Great Mall Parkway. The first segment of lighting design and installation will be from Carlo Street to just north of Corning Avenue. The engineering design phase commenced in January, 2017 for Segment 1 (from Carlo Street to Corning Avenue) and is anticipated to be completed by the end of 2017.

- **Utility Underground 2017 Project (CIP 3425):** This project provides preliminary engineering, support services, and coordination to the Pacific Gas & Electric Company (PG&E) for the creation of a new Rule 20A Utility Underground District (UUD) on Corning Avenue, from South Main Street to North Abel Street and South Main Street from Corning Avenue to East Curtis Avenue. The new underground district will utilize PG&E’s Rule 20A funds for construction of the utility undergrounding of existing overhead pole mounted electric, cable, and AT&T lines along South Main St. and Corning Avenue. The City Council approved the Resolution creating the UUD on January 3, 2017. Staff has submitted documentation to PG&E to enter the Rule 20A program. PG&E estimates their design process will start in October 2017.

- **Daniel Court Water Main & Service Replacement (CIP 7110 & 7131):** This project will provide for the construction of waterline, service laterals, and replacement of water meters and fire hydrants on both sides of Daniel Court, east and west of North Park Victoria Drive. Pavement repair and overlay of the entire street will be provided at the end of the utility work. Utility installation is now complete and the roadway is to be repaved Saturday, September 9. During the resurfacing work, on-street parking will be prohibited and Daniel Court will be closed to vehicle travel. Notices of the roadway work are being sent to residents of Daniel Court and ‘No Parking’ signage will be posted.

- **TASP Underground Utility District (CIP 4281):** This project provides for the creation of a new utility underground district to underground existing overhead PG&E. Cable TV and AT&T lines within TASP redevelopment area, along South Milpitas Blvd. and Montague Expressway. The new district would be administered by the City and the design and construction to be completed by PG&E, using the City’s and County’s Rule 20A funds. Staff is working with PG&E to implement the requirements for the district. PG&E estimates their design process will start in October 2017.

- **Well Upgrade (CIP 7076):** This project will provide for a new potable water well within McCandless Park, which is currently under design and is located east of McCandless Drive, south of Montague Expressway. The design and installation of the well will be executed in phases. Phase 1 design services will provide for the evaluation of the hydrogeologic characteristics of the McCandless site, including installation of a test bore hole. The designer will acquire a contractor to drill a test hole to verify aquifer volume and water quality in October/November 2017.
Street Resurfacing 2017 Project (CIP 4284): This project provides for the localized repair of failed asphalt concrete pavement, resurface asphalt concrete pavement, install ADA compliant sidewalk ramps, repair damaged sidewalk, curb and gutter and reinstall pavement delineation on the following street segments:

1) Milpitas Boulevard between Hanson Court and northerly City limit
2) Dixon Landing between Milpitas Boulevard and 400 feet east of Milmont Drive.

This project will also include localized repair of failed asphalt concrete pavement on the following street segments:

1) McCarthy Boulevard between Ranch Drive and northerly City limit
2) Abbott Avenue between Calaveras Boulevard and Rudyard Drive
3) Main Street between Corning Avenue and Curtis Avenue
4) Yosemite Drive between Milpitas Boulevard and Vista Way
5) Dempsey Road between French Court and Landess Avenue
6) Tasman Drive between Alder Drive and I-880 Overpass

Contractor is performing concrete work on Milpitas Boulevard.

Land Development (Private Development Projects):

<table>

</thead>
<tbody>
<tr>
<td>District 2, Taylor Morrison, McCandless Drive (PJ2825): This is a medium density residential project off the northerly portion of McCandless Drive. McCandless Drive is now open for through access to the public. Staff is preparing the project for Council initial acceptance.</td>
<td>None</td>
</tr>
<tr>
<td>Metro, Pulte Home, 1401 South Milpitas Boulevard (PJ 1211): This project will construct 318 residential units in total, at the intersection of the future Garden Street and South Milpitas Boulevard. Activities are: Lot 1 is under construction. Public improvements for South Milpitas Boulevard and Garden Street are near completion. Lots 2-4 are under construction.</td>
<td>Traffic delays on South Milpitas Boulevard</td>
</tr>
<tr>
<td>Orchid, DR Horton, 31 South Milpitas Boulevard (PJ2812): This project will construct 80 single-family detached units with related infrastructure (water, sewer, storm drain and other utilities and improvements along Los Coches Street and Milpitas Boulevard).</td>
<td>None</td>
</tr>
<tr>
<td>Citation 1 (north portion of Piper Drive) (PJ2527): This project will construct 94 townhouse units and two apartment buildings, totaling 638 units. On-site construction is complete. Off-site improvements are under construction. The Multi Party C3 agreement is complete and executed.</td>
<td>No traffic impact</td>
</tr>
<tr>
<td>Traverse, K. Hovnanian, 569 Trade Zone Boulevard (PJ2874): This project will construct 207 residential townhome units on 12.5 acres of land with new public roadway system and a public park. They are looking to release the final unit and are currently in the process of reviewing the conditions of approval and addressing punchlist items from public works inspector. We are currently being held up by South Bay Water Recycling as they will not issue any recycled water meter permits until they have received and reviewed all off-site improvement plans showing major distribution lines. Utilities Section will take the lead.</td>
<td>No traffic impact</td>
</tr>
<tr>
<td>Waterstone, Lennar Homes, 1494 California Circle (PJ2830, PJ1160): This project will construct 84 single-family residential units on an existing industrial site.</td>
<td>Possible traffic delays along California Circle and I-880 ramp</td>
</tr>
<tr>
<td><strong>District 1, Lots 2, 3A and 4, Lyons, 1320 McCandless Drive, 1425 McCandless Drive, and 1310 McCandless Drive/1463 Centre Pointe Drive:</strong> This project will construct 3 high-density residential and mixed use projects. There is no activity on 3A and 4. Lot 2 has been submitted for site improvement permit and comments provided to applicant. On site irrigation plans have been reviewed and comments were provided.</td>
<td>Possible traffic delays on McCandless Drive and Great Mall Parkway</td>
</tr>
<tr>
<td>---</td>
<td>---</td>
</tr>
<tr>
<td><strong>Piper, KB Homes, 1256 Piper Drive (PJ1122):</strong> This project will construct 98-townhome-style condominiums and one condominium tower with 210 units at the corner of Piper Drive and Garden Street. Revised on-site irrigation plans and off-site irrigation plans have been signed by the Assistant City Engineer. The City is currently held up by South Bay Water Recycling as they will not issue any authorization letters for use until they have received and reviewed all off-site improvement plans showing major distribution lines. The Utility staff is handling this process. Staff is working with the developer and PG&amp;E to resolve the issue of Condition of Approval (COA) #58. The applicant has submitted on-site and off-site joint trench and street light plans for 1st review.</td>
<td>Traffic delays on Piper Drive and Garden Street</td>
</tr>
</tbody>
</table>

**UNDER CONSTRUCTION (ONSITE ONLY)**

| **Murphy Ranch Townhomes, Lyons, and Coyote Creek (PJ2740):** This project will construct 285 townhomes (approved as part of the Fairfield Project). Fine grading, underground work and site improvement construction are mostly completed. The developer will coordinate traffic control with the adjacent Fairfield project. Off-site improvements have been completed and accepted by the City Council with Cerano Apts. Final Occupancy punchlist (RW closeout) is in progress. | No traffic delays |
| **District 1, Lyons (north portion of McCandless Drive) (PJ1134):** This project is a mix-use commercial and high density residential development located at the northerly portion of McCandless Drive. Addendum #4 to the SI permit were submitted for their 3rd review and comments were provided, at issue the revised project frontage is not in conformance with the approved Tentative Map. | Traffic delays on Great Mall Parkway |
| **Palazzo, KB Homes, 1200 Piper Drive (PJ1051):** This project will construct 94 townhome-style condominiums at the northeast corner of Piper Drive and Garden Street. The project is nearly complete. | No traffic delays |
Join the Milpitas Office of emergency services as we host a variety of agencies to help you prepare your family! The event will be fun, educational and family focused because as a community—
